FLASHLIGHT '73

Vol. 60

Abilene High School

Abilene, Texas

Wendy Lathrop, Editor

Go placidly amid the noise and haste, and remember what peace there may be in silence. As far as possible without surrender, be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they, too, have their story. Avoid loud and aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans. Keep interested in your own career, however humble;

it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment it is perennial as the grass. Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imag-

inings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself. You are child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul. With all its sham, drudgery and broken dreams, it is still a beautiful world. Be careful. Strive to be happy.—"DESIDERATA"

Shane, its has been a good year having you in English this past year. I hope you always do your best in basketball next year as well as anything else you do. This summer don't do anything I wouldn't do. Stay cool, and always be nice to the girls you date.

STUDENT LIFE

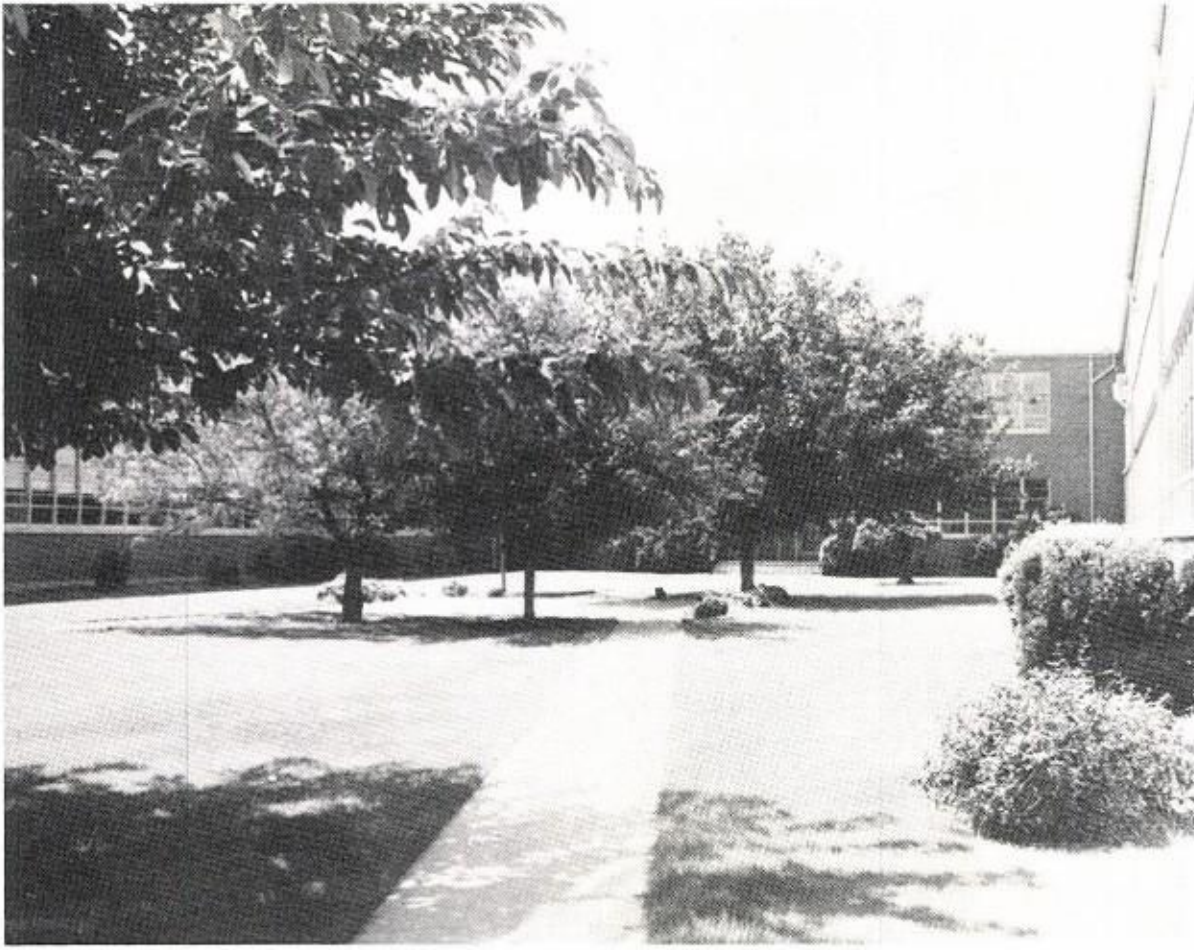

AHS Is Stepping Stone to Our Future

Encounter and reponse, tension and sensitivity, joy and tears—all are a part of the feelings that make up our high school lives. Entering as sophomores with new hopes and fears, we encounter a new range of sights and sounds. As juniors, we come to know better the old tensions and joys, as well as to experience new ones. As seniors, we look back, while again we look ahead. We have many experiences before us, but hopefully our backgrounds at Abilene High will have helped us grow to meet them.

The Eagle Gym and Champ

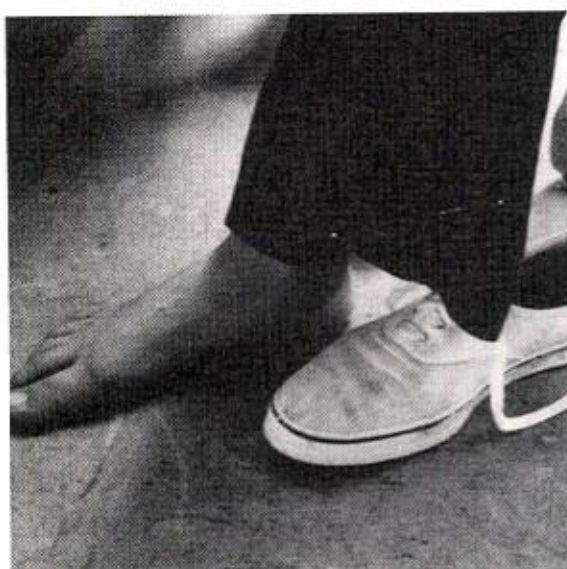

Spring . . .

For many at Abilene High, spring marked the beginning of new experiences as well as the end of old. Stepping out and heading in new directions were almost 550 graduating seniors. Mr. Webb, principal for 17 years, left AHS to take

a position in planning secondary curriculum for Abilene Public Schools. Flashlights and Aquilas were presented to the students in assemblies. Deserving students received Gold "A" 's and athletic awards.

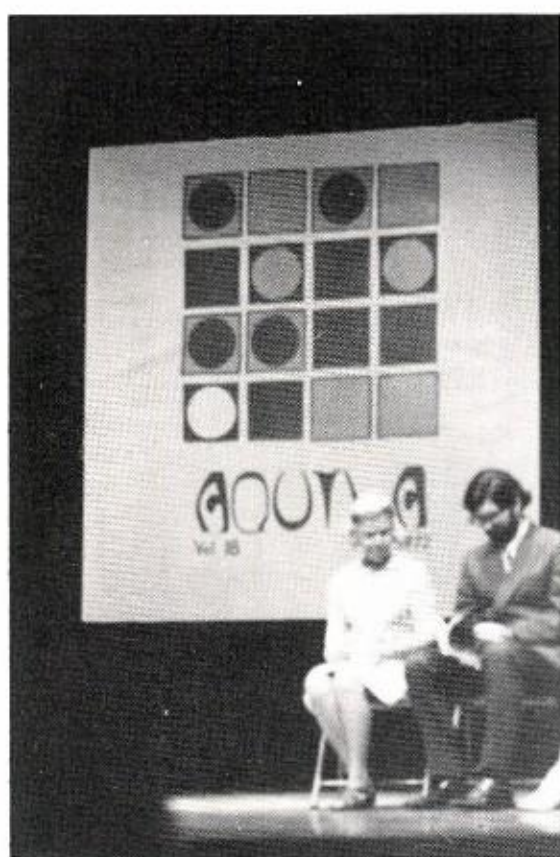

Involved in cheerleader tryouts is Theresa Wurschmidt . . . At the end of spring, bare feet became a more and more frequent sight . . . Preparing for commencement exercises at the Taylor County Coliseum, a 1972 senior takes a last minute look . . . Team competition, good food, and a day from school fulfilled a traditional event for '72 seniors.

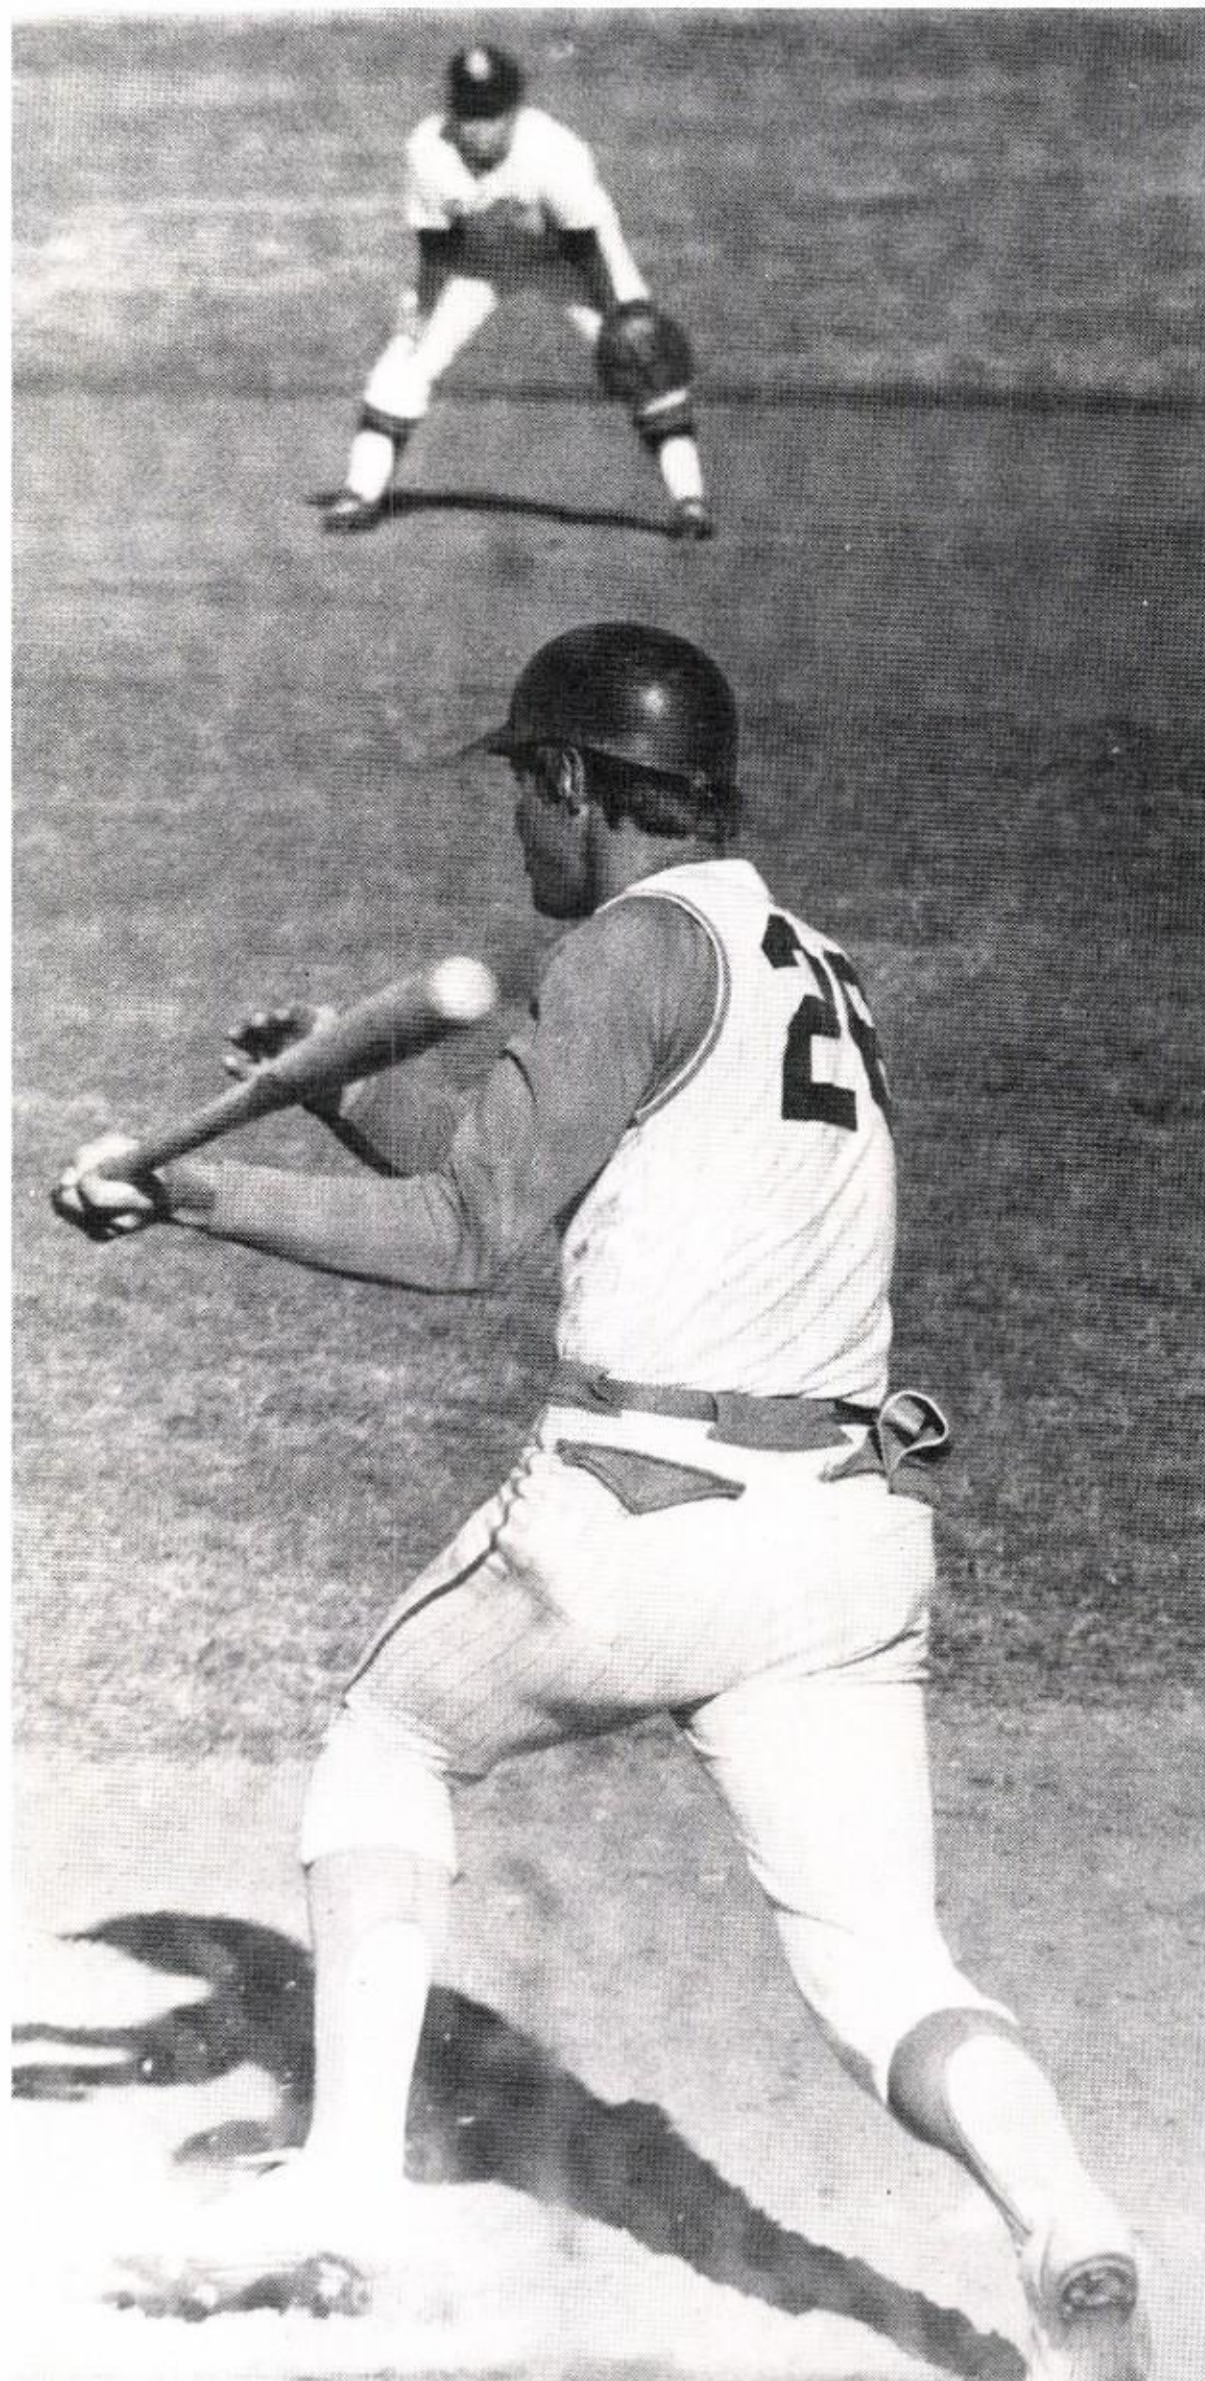

Paula Rash

Honor graduates Marilyn Kolly and Debbie Bounds wait off stage for the beginning of the 1972 final farewell assembly . . . Taking his turn at bat, Clint Thomas, district 5 AAAA's most valuable player two years in a row, helped Abilene High make bi-regional . . . Abilene High School's '72 Aquila, the literary magazine, had a cover which represented various types of literature.

Student Elections Highlight End of Year

Springtime meant closing out the year with assemblies. **Flashlights** were delivered to students and faculty in May of 1972. Presentation of Aquilas were also done in May. Election of cheerleaders and Student Council officers were taken care of before the school year came to an end.

Volunteers from study hall readily assisted in moving 83 boxes of 1972 **Flashlights** into the building for distribution to students and teachers . . . Student Council hopefuls congregate behind stage awaiting their turn to make a campaign speech . . . Assisting Judy Griffin, editor, Mr. Escoe Webb revealed the honored teachers in the '72 **Flashlight**.

Summer . . .

Summer arrived and with it came opportunities for a change of pace after a year of school life. For some, it was a time of relaxation, with vacations and days of sleeping late. For others, it meant sum-

mer jobs to help in gaining experience or to provide money for spending or saving. Never really leaving the idea of school activities behind, others attended seminars, workshops, and conventions.

Bicycling was a hobby for many AHS students, among them was Robert King . . . Refreshment for Debbie Elkins during a moment of summer relaxation is the ever popular ice cream cone . . . Eagle Squad members Joseph Flores and Jeff Hill help with the upkeep of Champ's cage by putting on a fresh coat of paint . . . Student Council members hosted the faculty watermelon feast during orientation week.

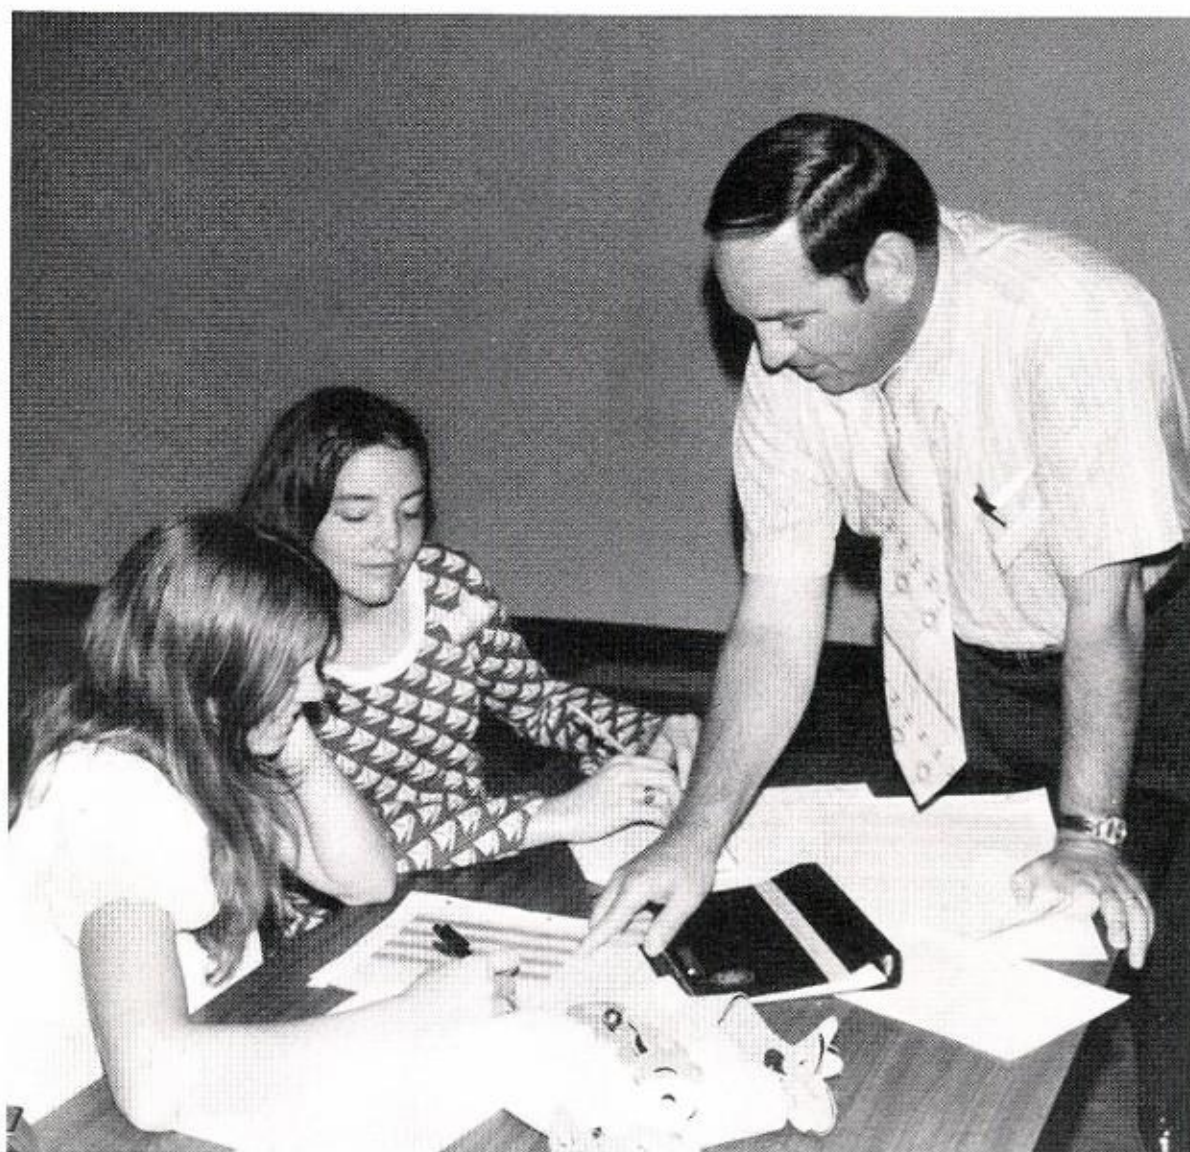

August 18 Initiation Involved Sophs

Seniors Becky Scales and Sky Mosman label Eagle name tags for sophomores to wear at the sophomore-senior tea . . . Seniors spoon feed sophomores at the annual summer initiation . . . Mr. Jacks, representative from Newsfoto Yearbooks, shows Wendy Lathrop and Carolyn Glenn how to plan the 1973 **Flashlight** at Angelo State University.

Summer busied AHS students and faculty in readying for the '72-'73 school year. Orienting sophomores into the ways and wiles of high school girls, senior girls staged the sophomore initiation and Senior Tea. Teachers found time to replenish their supply stocks and gather more information, while many students were employed in summer jobs.

Faculty members of the science department unpack supplies to be used during the '72-'73 school year . . . Working during the school year and into the summer, ICT student Randy Strickland learns the business of a meat market . . . National Merit Award Semifinalist, Rob Spiller demonstrates how to use a gyroscope.

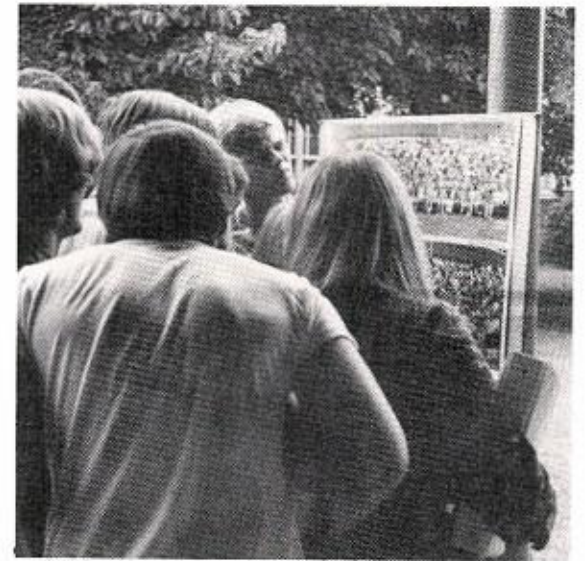

Fall . . .

By fall, the '72-'73 school year was in full swing. Students were involved in a variety of activities, one of which was Campus Review '72, put on by AHS Choirs. Nine clubs participated in the second annual

Sing-Song. Christian Club received first place in club competition. Senior class was first in class competition while sophomores won costume. Football caused an air of excitement, also.

Sky Mosman and Becky Scales chat while awaiting the morning bell . . . Singing "Southern Man", Dan Eastburn adds his talent to the AHS choir production, Campus Review '72 . . . "Mighty" seniors '73 ponder over the two poses of senior group pictures from which to choose . . . Head cheerleader Jarilyn Scott and mascot Dee Dee Hamilton lead the student body in the victory yell.

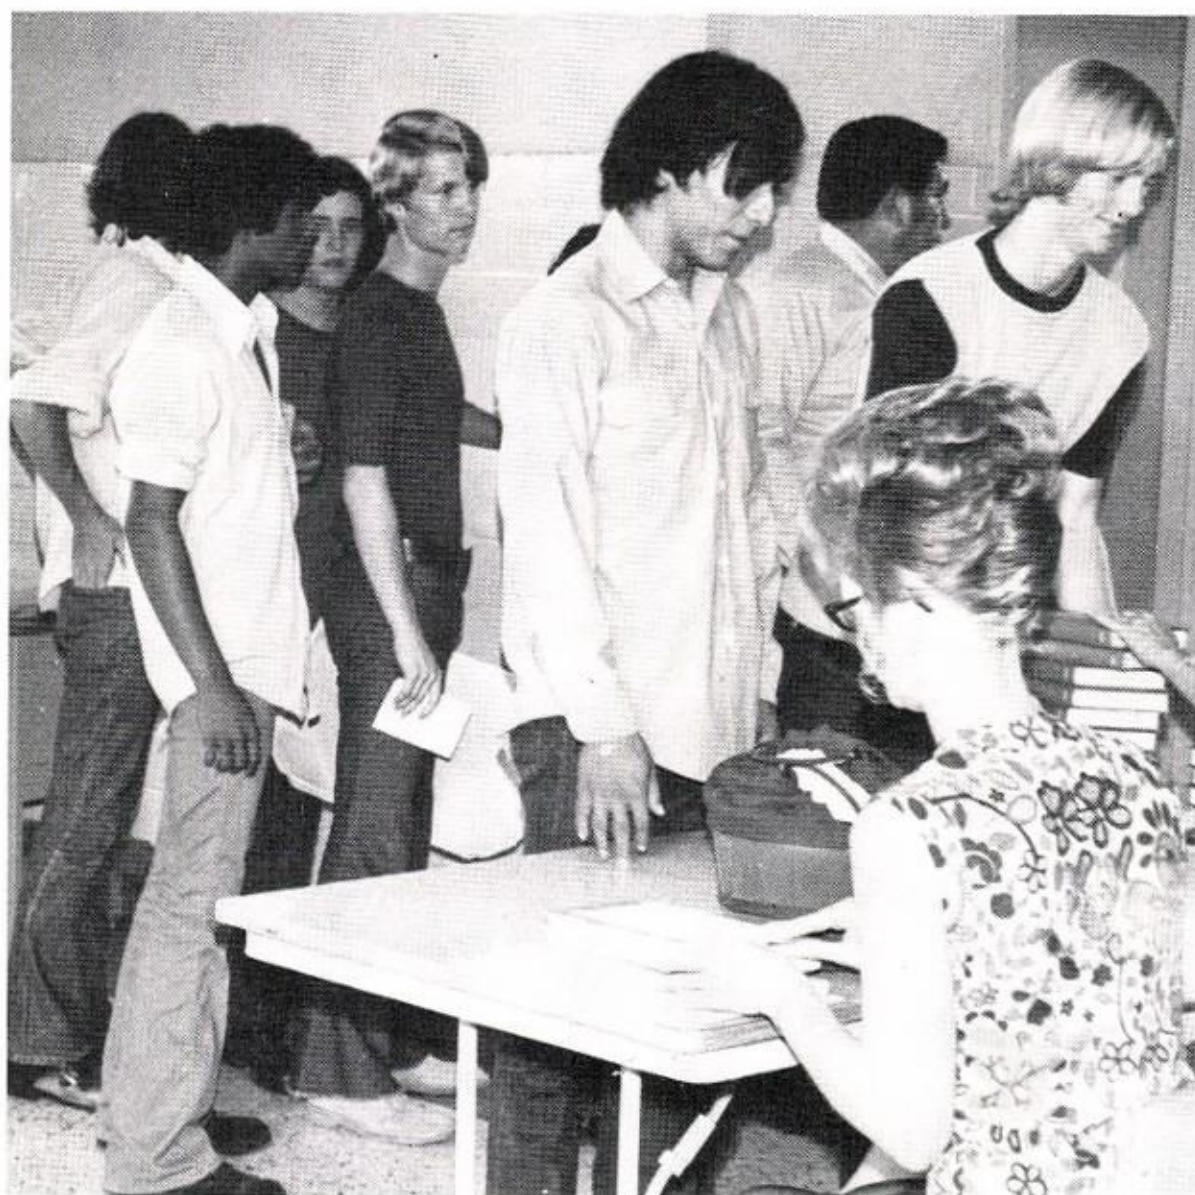

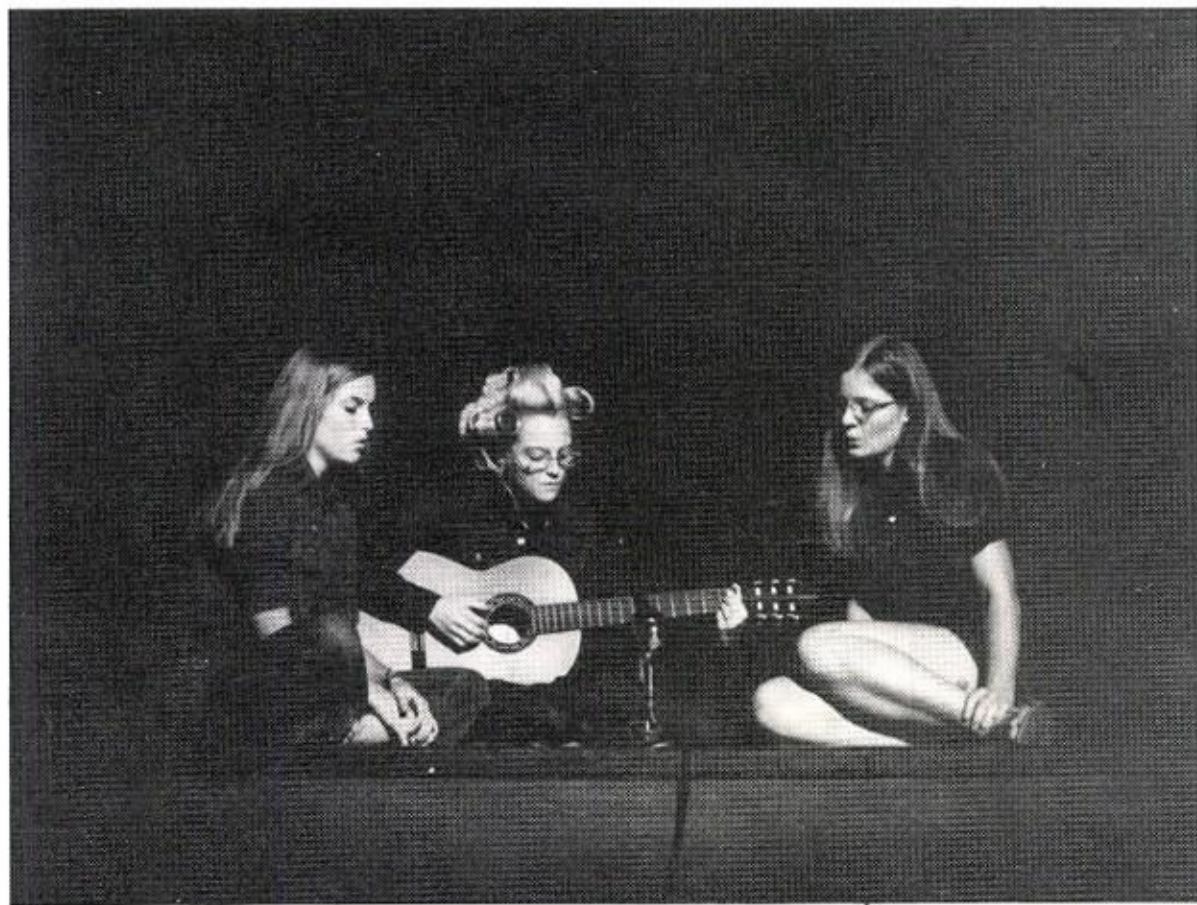

Pam DuVall and Brenda Palmer

Principal Bill Graves welcomes students to Abilene High in an opening assembly . . . Dixie Gowler and Debbie Mayhall inspect the first edition of the **Battery** for the 1972-'73 year . . . Checking out textbooks is part of beginning school for another year.

Campus Review Presented by Choirs

Chilly fall winds did not slow the pace of activities at AHS. Campus Review, directed by Mr. Danny Hood in October, provided an evening of musical entertainment and also helped the choir raise money. AHS concert and mixed choirs as well as the Lincoln Junior High girl's choir participated. Open house was hosted by the Parents' Club and Faculty to acquaint parents with AHS. In early November, juniors anticipating their seniority ordered their class rings from Star Engraving Company.

Nancy Runyan, Taina Curry and Theresa Wurshmidt rehearse for their number in Campus Review '72 . . . Homemaking students Charla Dieckman and Lee Large helped prepare refreshments for Open House during American Education Week . . . Filling out an order blank for senior rings is junior, Sue Buckley.

Gigi Named 1972 Homecoming Queen

Half-time activities of the homecoming game were highlighted by the crowning of Gigi Warters as the '72-'73 Homecoming Queen. She was chosen by the student body after the presentation of the top three nominees, including Jena Bodine and Julie Quigg.

Sing Song provided a zesty kickoff Thursday before the game, with lively entertainment from students and faculty. To boost spirit, the NHS sold bright gold balloons. The homecoming game was played against Odessa Permian on October 13.

Isiah Gindratt and Regina Smith were two of the five hosts and hostesses at the second annual Sing Song . . . Four guitarists and a flute player helped to set the background music for Christian Club's Sing Song number "We Are One in the Spirit" . . . Gigi Warters, escorted by senior class president Guy Rosser was crowned 1972 Homecoming Queen at the Odessa Permian football game.

Miss Nicole Boullier, a native of France, spoke to Mrs. Jones' sixth period French class about life in France . . . During POW week, sponsored by AHS student council, Brad Osner sells a POW bracelet to Mr. Hood . . . Mike Stallings reserves a 1973 Flashlight from homeroom representative David Bridges.

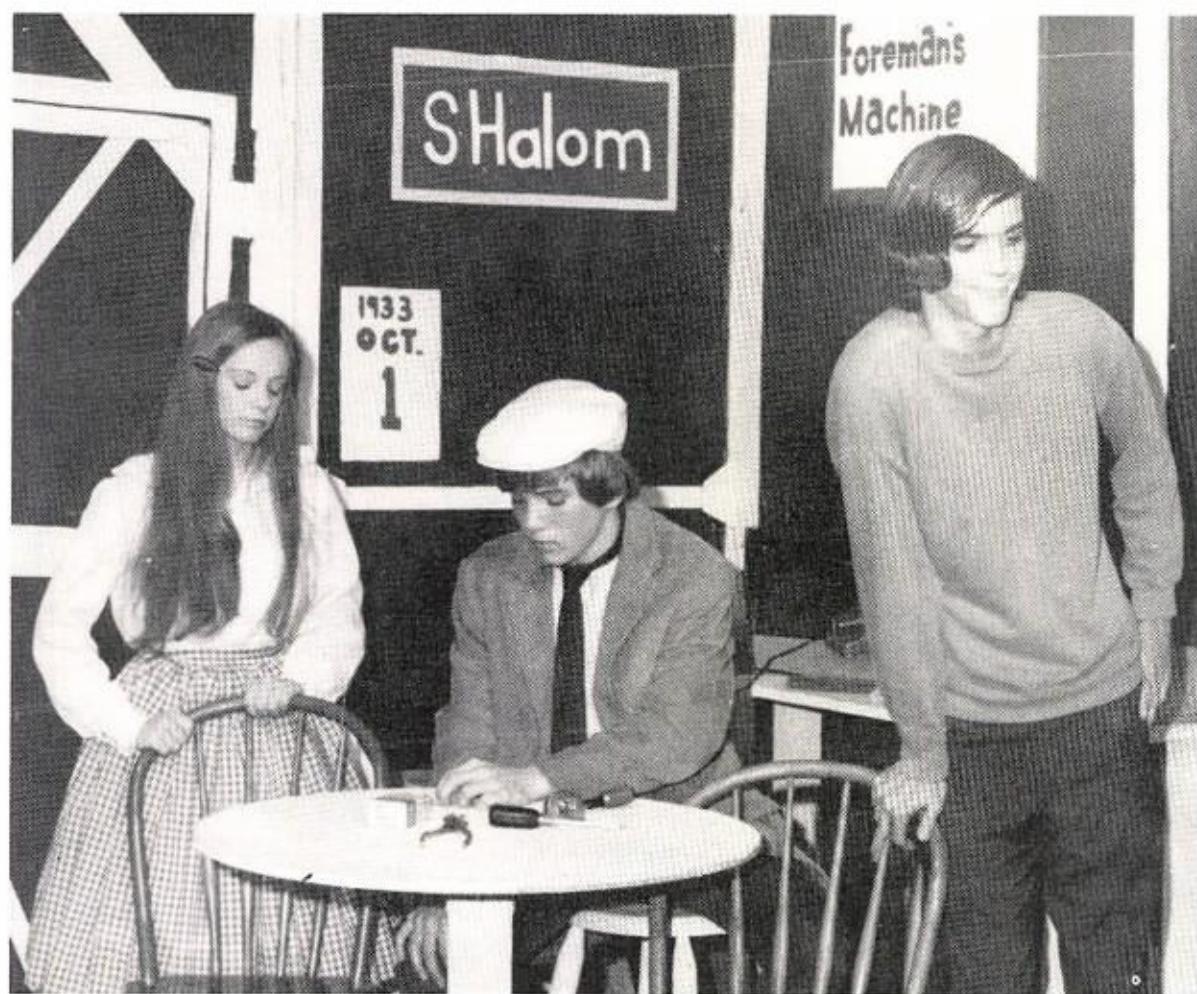

Following the banquet, held at the Starlite Inn, football was put aside for another season and Eagle interest turned to basketball, concerts and workshops.

Helping to bring honor once again to Abilene High, the Band earned a "I" in UIL marching contest. To enable work to begin on the club section, Mr. John Kline spent a day at AHS taking group pictures. Another activity, sponsored by the Student Council, was homeroom Thanksgiving baskets. Entertainment for the program was provided by the Concert Choir.

Soloist Sandra Ritchey added her talent to the annual AHS Thanksgiving program . . . Symphonic bell choir directed by Mr. Danny Hood enhanced the AHS Thanksgiving program . . . Mr. John Kline, professional photographer, readies his camera for taking club pictures for the Flashlight . . . Using a cart from science lab to transport a heavy Thanksgiving box to the auditorium are Albert Simpson and George Hollingsworth.

Drama Presents Two Big Fall Shows

Marvin (Randy Earp) is the middle of an argument between Wanda (Jana Hurst) and David (Terri Shipp) in the play "Enter Laughing" by Joseph Stein . . . Star, (Cindy Beall) displays a fit of rage in AHS Drama Production "Star-Spangled Girl" . . . David Kolowitz (Terri Shipp) is not very perceptive to advice given by his boss Mr. Foreman (Kirk Nash).

Winter . . .

As the first snow fell in early December, winter was officially here with its traditional flurry of activities. As the rush of pre-Christmas parties and shopping trips loomed near, AHS hosted 35 Cooper Exchangees. On the last day

before the holidays, Santa Claus paid a visit to the children of faculty members during the band's annual Christmas program. School activities were resumed in the new year with the NHS induction in January.

Sandra Rodriguez poses for a picture taken by a third period photography student . . . Sophomore Jeff Costin looks for a victim for which to relieve him of his snow ball . . . Excited over the first snow fall, Linda Rodriguez catches some of the large flakes on her tongue . . . An AHS student removes snow and ice from the top of the car during the first winter snow.

Santa Visits AHS Christmas Program

Christmas spirit increased steadily as the preparations for celebrating the holiday season reached a climax. The band provided musical entertainment to set the mood for Santa's visit to the campus. During his stay he promised to fulfill the wishes of children of faculty members. The Christian Club spread Christmas cheer by distributing ten boxes of food and clothing to the needy. Letters to Santa were a part of Mrs. Gray's shorthand classes' activities.

Students resumed school activities one day earlier than scheduled due to the first "weather holiday" for Abilene Public Schools since 1947.

Awaiting Santa's arrival are the Taylor children, Mark and Tiffne . . . Making sure she gets her letter to Santa off in time is shorthand student Sonja Davis . . . Jana Graves, a little shy, tells Santa what she wants him to bring on Christmas.

Beth Correu, Mary Hood and Brenda Flanagan of Mr. Waggoner's first period biology class prepare for their homeroom party . . . Filling her plate with holiday snacks at a tea hosted by homemaking students is Mrs. Madeline Ligon . . . Curious Robert Newman rattles Christmas gifts as Kevin McAuliffe looks on.

School Dismissed Due to Bad Weather

Winter weather brought eight inches of dry unpackable snow to the Abilene High campus. Superintendent A. E. Wells dismissed school for six days due to the inclement weather and the administration cancelled mid-semester exams to the delight of many AHS students and faculty. Mr. Wells said final exams for Abilene Public Schools had never been cancelled.

AHS took on a new appearance at the occurrence of an eight inch snow . . . Dee Dee Hamilton, AHS mascot, finds diversion during half-time at the Midland basketball game . . . Profits raised by a basketball game between the faculty and Senior Men '73 went to aid in the support of AHS TAP Queen nominee Belinda Briley.

Exchange student, Ana Godoy, from Brazil is introduced at an Operation Mainstream meeting . . . Students from Abilene High listen to Mike Blanton, chairman of Youth Employment Service, speak at a meeting of Operation Mainstream, held at the Abilene Chamber of Commerce . . . To aid in supporting Belinda Briley for '73 Tap Queen, Jody Berryman takes charge of the sophomore bake sale at Westgate Mall.

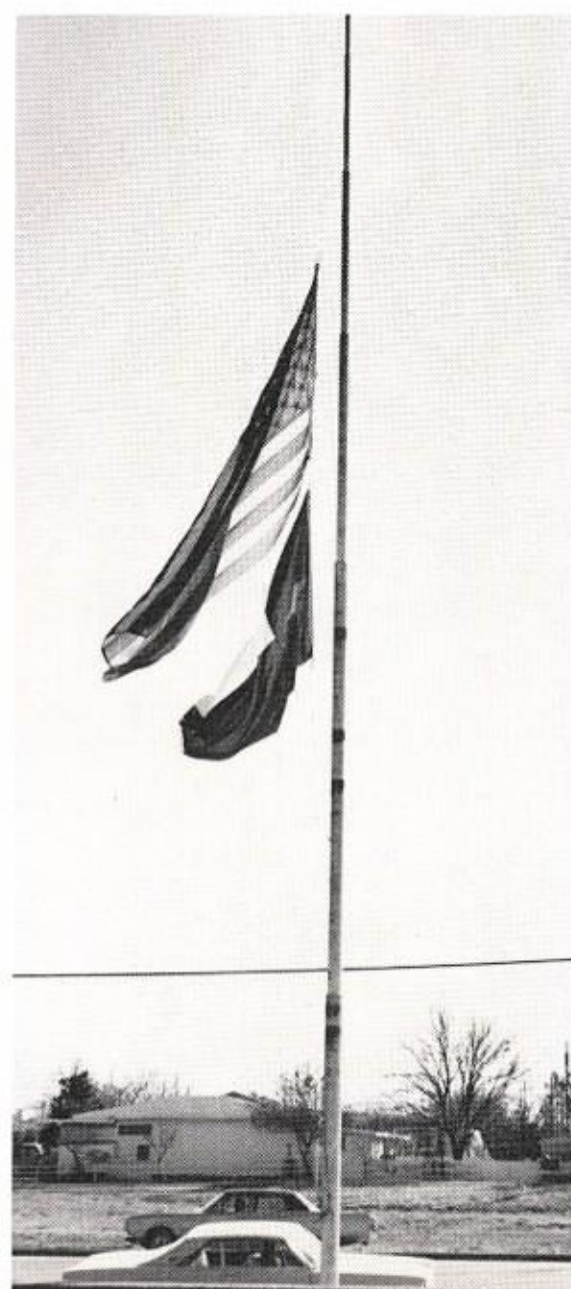

US Prisoners of War Return Home

The school year '72-'73 will be a year that people will remember. History will record it as the first election year in which the eighteen-year-olds voted. Another memorable day was when the United States honorably withdrew from the Vietnam War and POW's were reunited with their families. Along with the good came sorrow when two former US Presidents died.

Joyce Landry removes her bracelet when she discovers her POW has come home . . . Interested students watched daily release lists of POW's.

AHS student Gary Diehl secures a political sticker on a car as part of a Government course project . . . Across the nation, flags were flown at half-mast in memory of Harry Truman and Lyndon Baines Johnson.

Honor Society Delivers VPO Candy

Returning to the VPO as a money raising project for scholarships, National Honor Society sold box candy instead of homemade candy. Also as a money making project, "A" Association took charge of the snack bar at the junior high basketball tournaments they sponsored in the Eagle Gym.

Honor society members Janel Mayhall, Leigh Anne Grover, and Debbie Rhoads prepare to deliver candy from the Valentine Post Office . . . Steve Simpson, anticipating a long bus ride, waits for the bus that will take the AHS swim team to a meet . . . James Smith works at the snack bar in the Eagle Gym during the junior high basketball tournament.

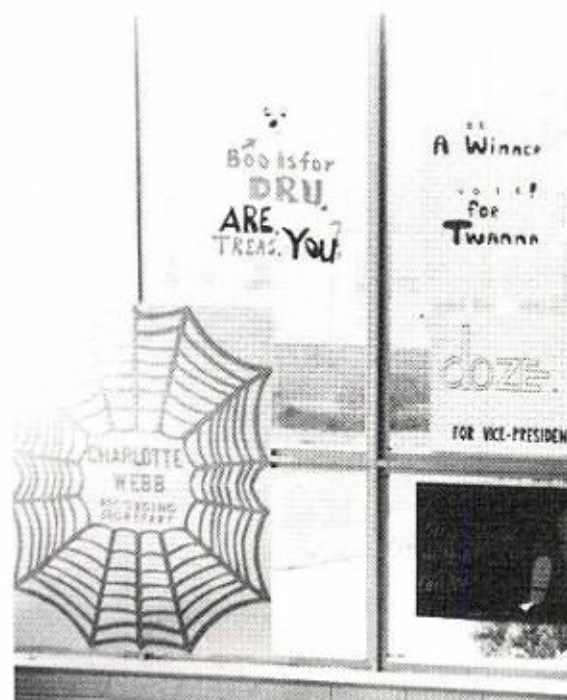

Seniors Winston Whitt and Jeff Hill act as announcers at the AHS Senior Radio Day . . . Ordering his graduation invitations from Starr Engraving company is Lloyd Dail . . . In February, Mr. James Langford measured Kent Tippen for his graduation cap and gown.

Eager to serve AHS through a Student Council office, candidates made numerous posters and hung them throughout the school . . . The results, an assortment of eye-catching posters, awaited the arrival of the student voters to sway them to their candidates . . . Mr. W. A. Owens, AHS drafting teacher, retired after eighteen years.

Sundry Activities Close the '73 Year

As the school year came to a close, senior activities got underway. Seniors were measured for their caps and gowns and they ordered their invitations. The businesses of Abilene were invaded when senior students raised money for the traditional Radio Day. Voicing their preferences for Baccalaureate and Commencement exercises, seniors filled out various questionnaires.

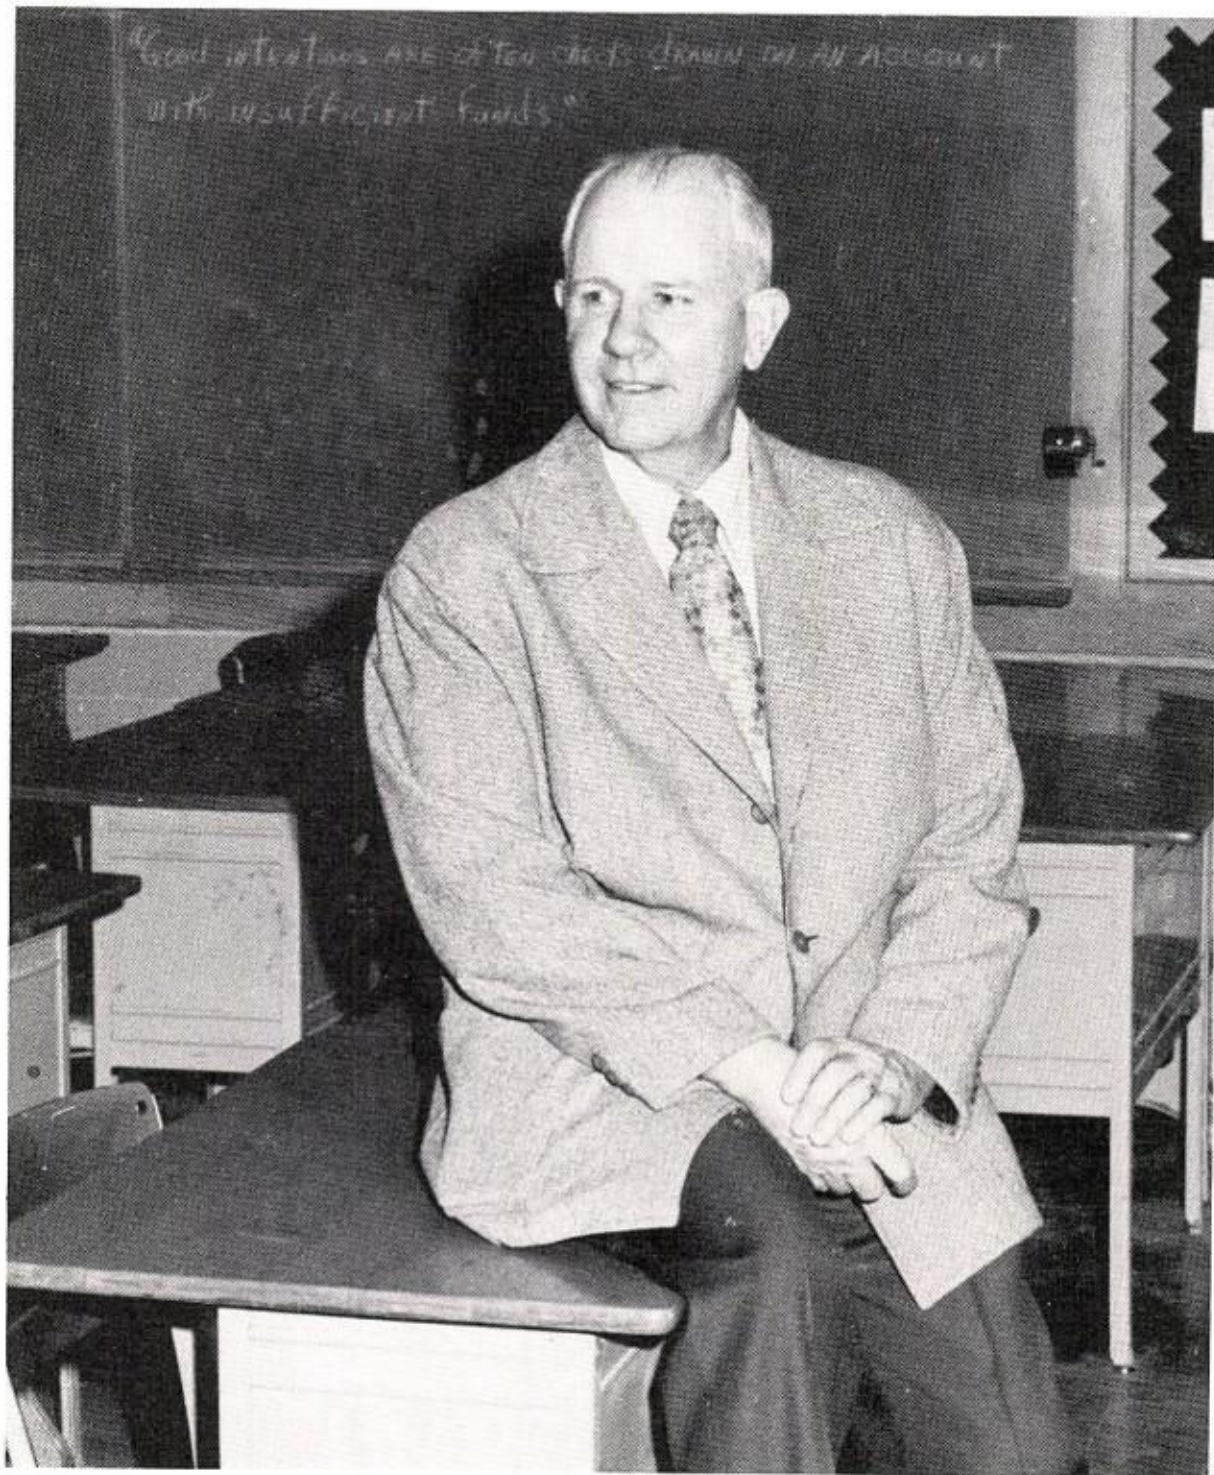

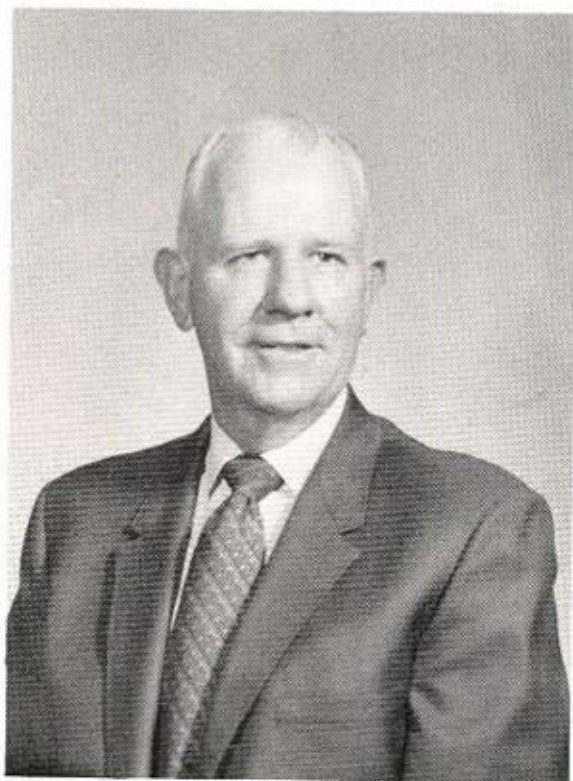

Many students, however, started preparing for next year. Student Council campaigning commenced and what seemed like a jungle of posters appeared. Elections were to be held March 8.

The close of this year had a special meaning to Mr. W. A. Owens. Having taught drafting for eighteen years, Mr. Owens made the '72-'73 school year his last at AHS.

'73 Flashlight Honors Mr. J. C. Lambdin

Our honor teacher has won the respect of many at AHS, not only past and present students but the faculty as well. A math teacher, at AHS for seven and one half years, Mr. James C. Lambdin has served as co-chairman of the executive board of sophomore or junior sponsors for most of his time here at AHS.

Mr. Lambdin has demonstrated his concern for AHS students by being more than a teacher. He is their friend. Because we recognize and appreciate his concern, understanding, and devotion, the '73 FLASHLIGHT honors Mr. James C. Lambdin.

New Members Come to School Board

Showing great enthusiasm for the upcoming four-semester school plan, Mr. A. E. Wells, superintendent of the Abilene Public Schools, carries out his main duty: to supervise and approve policy changes in the curricula of local schools. He feels that the new plan will give students an opportunity for a greater number of varied electives.

Plans for the curricula of the 30 schools within this district are discussed by the School Board twice a month. Final approval is given by Mr. Wells before the plans are handed over to school administrators.

Superintendent for over twenty years in Abilene, Mr. Wells has had a broad background in a school policy administration, including participation in high school and college student government as well as experience as a teacher and principal. In addition to school-oriented activities, Mr. Wells is active in church and civic organizations.

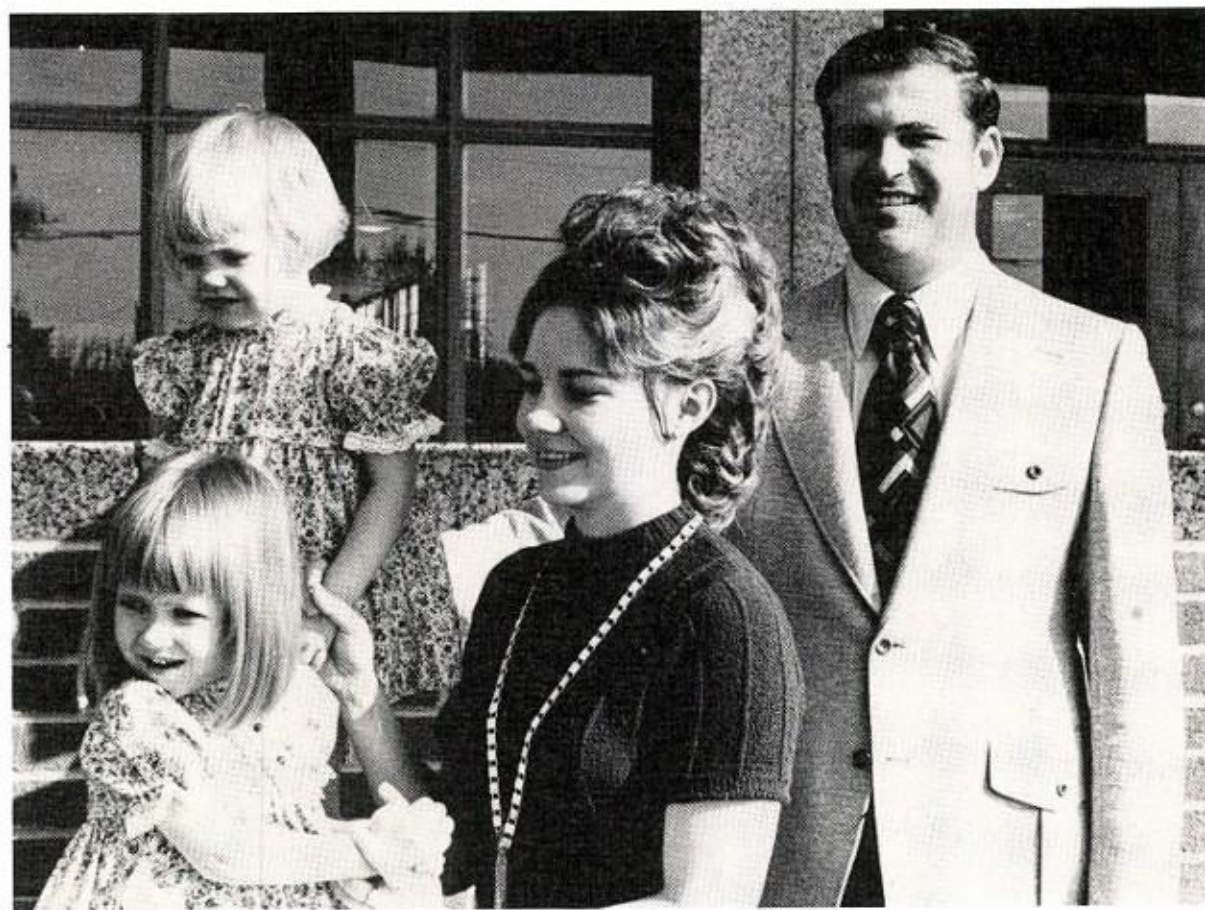

Stating one of his major responsibilities of AHS, Mr. Bill Graves pointed out that helping AHS face "the tremendous challenges in education due to a changing society" is essential. He believes that a primary concern of educational leaders is the "instructional direction and division" of today's education.

Mr. Graves came to Abilene High with experience in educational administration. He has served in public schools as an English teacher, coach, counselor, director of student activities, assistant vice-principal, and vice-principal.

In addition to his busy schedule at AHS, Mr. Graves is continuing work on his doctorate from Texas Tech.

As principal, Mr. Graves spends much time in his office with records and schedules . . . Mr. Graves discusses second semester courses with Patti Henderson . . . Mr. Graves with his wife Linda, and daughters Laura and Jana, was honored at the homecoming pep rally.

Counselors Aid in Guidance of Students

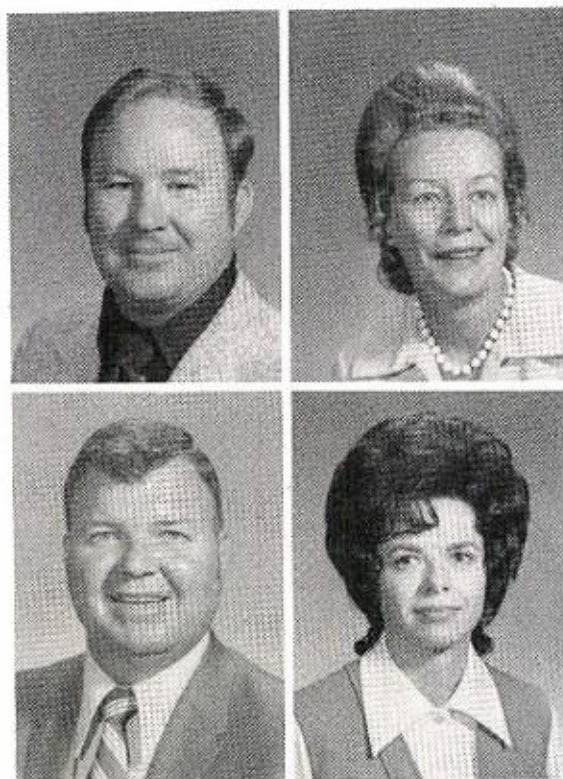

To help students' high school life run smoothly while preparing them for the future, the counselors form a necessary part of the AHS faculty.

Besides helping students with personal problems and schedule planning, the counselors consult with parents and teachers, provide information about adjustment problems, schools, and careers.

Mrs. Mary Alice Taylor, Mr. Roland Blackford, and Mr. Chester McAlpin are sophomore and junior counselors. The latter two are also vocational counselors.

Traditional English courses offer units in mythology, composition, literature, heritage of authors, poetry, grammar, and Projects such as films and slide shows.

Making the number of English teachers a staff of 16, Mrs. Nyoka Anderson and Mrs. Marilyn Smith were added to the faculty. Mrs. Patricia Ann Burton replaced Mrs. Ann Stepp who resigned in November.

For the purpose of delving into the wonders of science, Abilene High offers biology, chemistry, physics, physical science, and this year, environmental science. This new course involves two phases—classroom instruction and on-the-job training.

Two science teachers furthered their educations last summer. Mr. John Townsend received his doctorate of philosophy. Mr. Victor Medina received training concerning water problems for the new science course. New to the department were Mr. Pat Aguilar, and Mr. George Forkerway.

Sam Spence and Jack King use a large slide rule to demonstrate a problem in trigonometry . . . Members of Mrs. Presswood's geometry class fix a bulletin board for the classes.

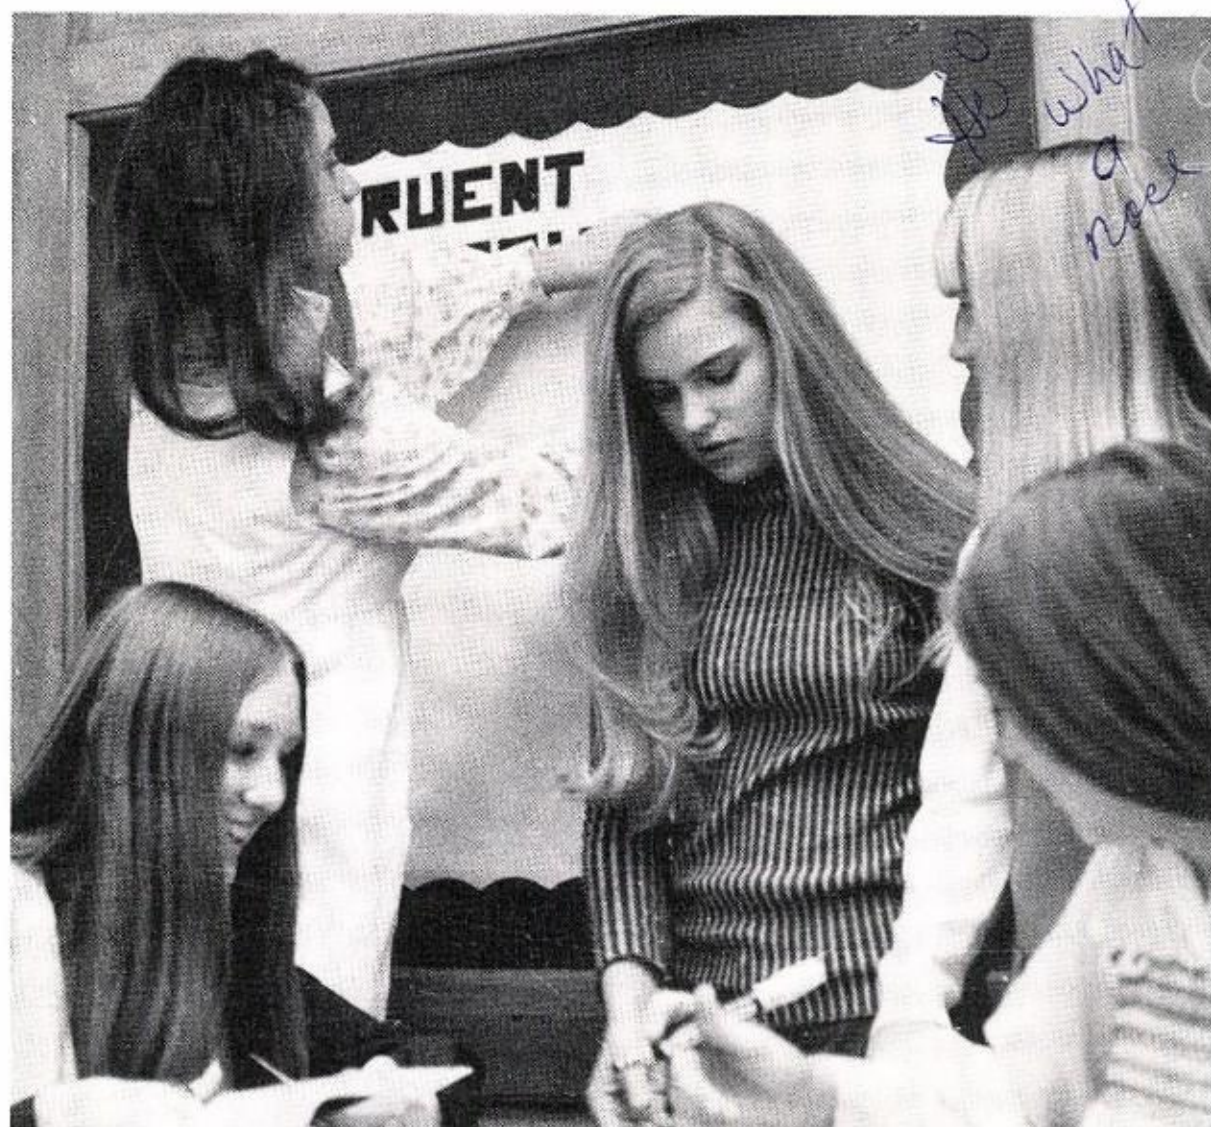

Figures Tend to Puzzle Math Students

Even with the advent of the computer, knowledge of mathematics is useful in everyday life. The math departments curriculum is designed to help students improve their everyday mathematical skills and to offer more advanced courses for those who wish to delve further into techniques with numbers.

The Math Department offers six courses which include algebra, geometry, introductory algebra, trigonometry, elementary analysis, mathematics of consumer education. To prepare students for competition, slide rule and number sense instructions were given twice a week.

History Portrayed in Skits and Displays

With eighteen-year-old students eligible to vote, politics during this election year became a main topic in social studies. Government classes entered the campaign spirit by working at the parties' headquarters. The Viet Nam War, economics, human relations, and ecology were also some of the subjects covered in classes of the department.

In American history students participated in group discussions, prepared projects, viewed films and were encouraged to relate the past to the present. World history offered students a background for social studies, a study of world governments, and social problems while psychology and sociology provided insights to action of mankind.

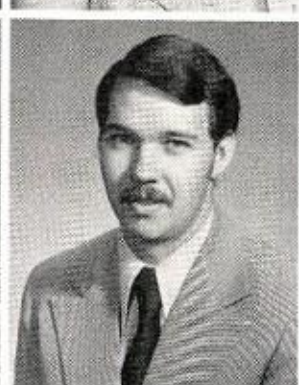

In Mr. Olsen's class, American history students engage in group discussions . . . Nancy Miller uses headphones to listen to a record concerning historic strikes . . . Lazeda Pringle takes the constitution required in all government classes.

Homemaking Study Includes Child Care

Separated into two divisions, the Homemaking Department offers a variety of courses. The study of foods incorporates the selection and preparation of common foods as well as foreign dishes. Units in nutrition, child development, and family relationship prepare students for future life. Clothing study involves fabric selections and construction. Also, there are units in household management. For juniors and seniors, the program includes consumer education and home and family living. The homemaking department sponsors Future Homemakers of America. Club members are involved in projects for the rest homes and the State School.

Business Futures Studied

Offering a variety of courses, the business department of AHS has a dual purpose. It offers students the opportunity to become acquainted with the business world, and it also gives them the chance to prepare for college.

This department has an enrollment of approximately 1000 students. Headed by Miss Avis Deavers, the business education department offers typing I and II, shorthand, clerical practice, general business, business law, economics, bookkeeping, and English.

Leonard Hickam vows to tell the truth as he is sworn as a witness by Paul Reed in a mock court trial tried by the business law class . . . Timed writings are a regular part of typing for all students.

Languages Provide Variety in Study

Adding a foreign touch to the curriculum, the language department of AHS offers four foreign languages. Not only are these courses concerned with the structure of language, but they also expose students to the culture of the countries whose language they learn.

Latin classes read a variety of stories—from mythology to Caesar. Playing scrabble using Spanish words highlight the Spanish classes. French students study "The Little Prince." Students taking German help themselves by reading a publication with features of interest for German students. German, French, and Spanish classes perfect their vocal accuracy by listening to native speakers in the language lab.

For Laura Cullers and Max Brinson, bookjackets provided additional interpretation of "The Little Prince." . . . Students got in the mood of a Spanish Christmas by breaking a piñata made as a class project.

Fine Arts Contribute to AHS Success

Electives in the curricula of the Fine Arts Department attracted hundreds of AHS students. Their choices were made in study of art, drama, speech, choir, band, and orchestra.

A large number participated in music classes. Class time provided practice time for concerts, contests and assemblies.

Students in drama and speech kept busy in rehearsing their plays, studying fundamentals of speech, and debating. Drama students were involved in two major productions the first semester: a musical, one-act plays and a contest play, the second semester.

Vocational Ed. Offers Variety of Courses

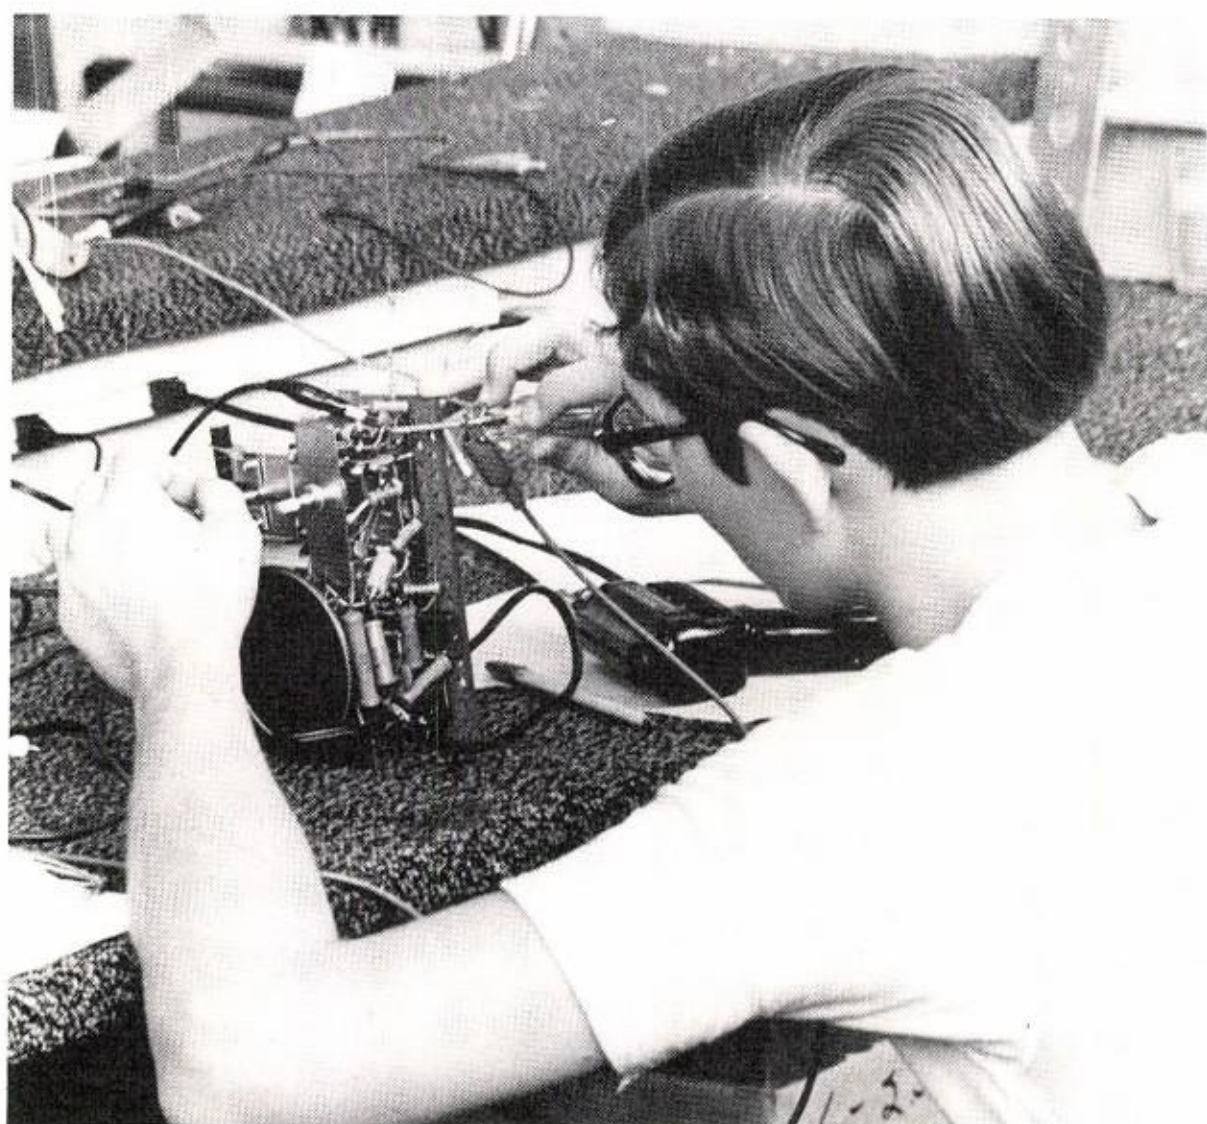

Preparing themselves for the career world, students enrolled in vocational education receive classroom as well as on-the-job training.

A new course, pre-employment lab, was added to the wide variety of subjects. Taught by Mrs. Judy Bird, this course was open to juniors. New in equipment were two pieces obtained by the Data Processing Department: a more powerful computer and a high speed printer.

Upon completion of class of shop training, students are qualified to obtain a job relating to the field. The diversity of the vocational education department enables students to choose courses ranging from sales work, office skill, and trades.

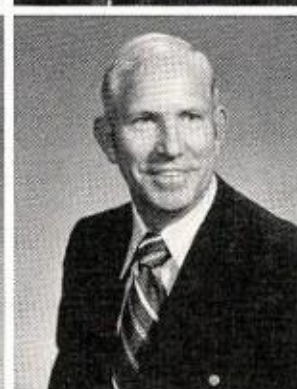

Cosmetology student Mary Diaz styles hair of a regular customer as part of class work . . . June Sanders, a student in distributive education, works at Sears half a day . . . Assembling a radio is training in class for Mark Smith.

The overall goal of the physical education program includes improved physical fitness for the students and a general knowledge of games and activities. The program is set up basically for the sophomores to participate in team activities, while the upper classmen find an activity they can pursue after leaving school.

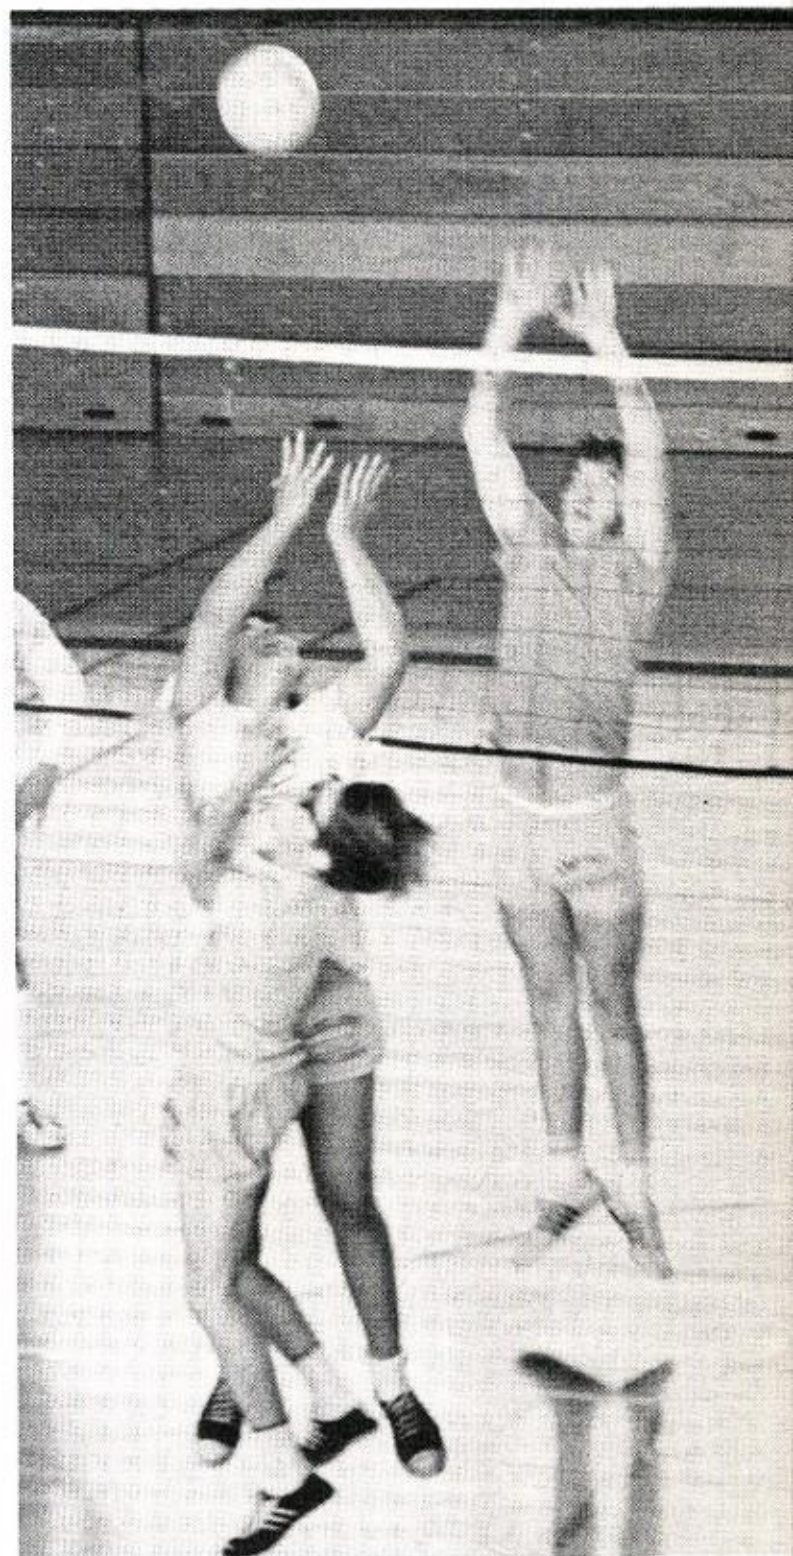

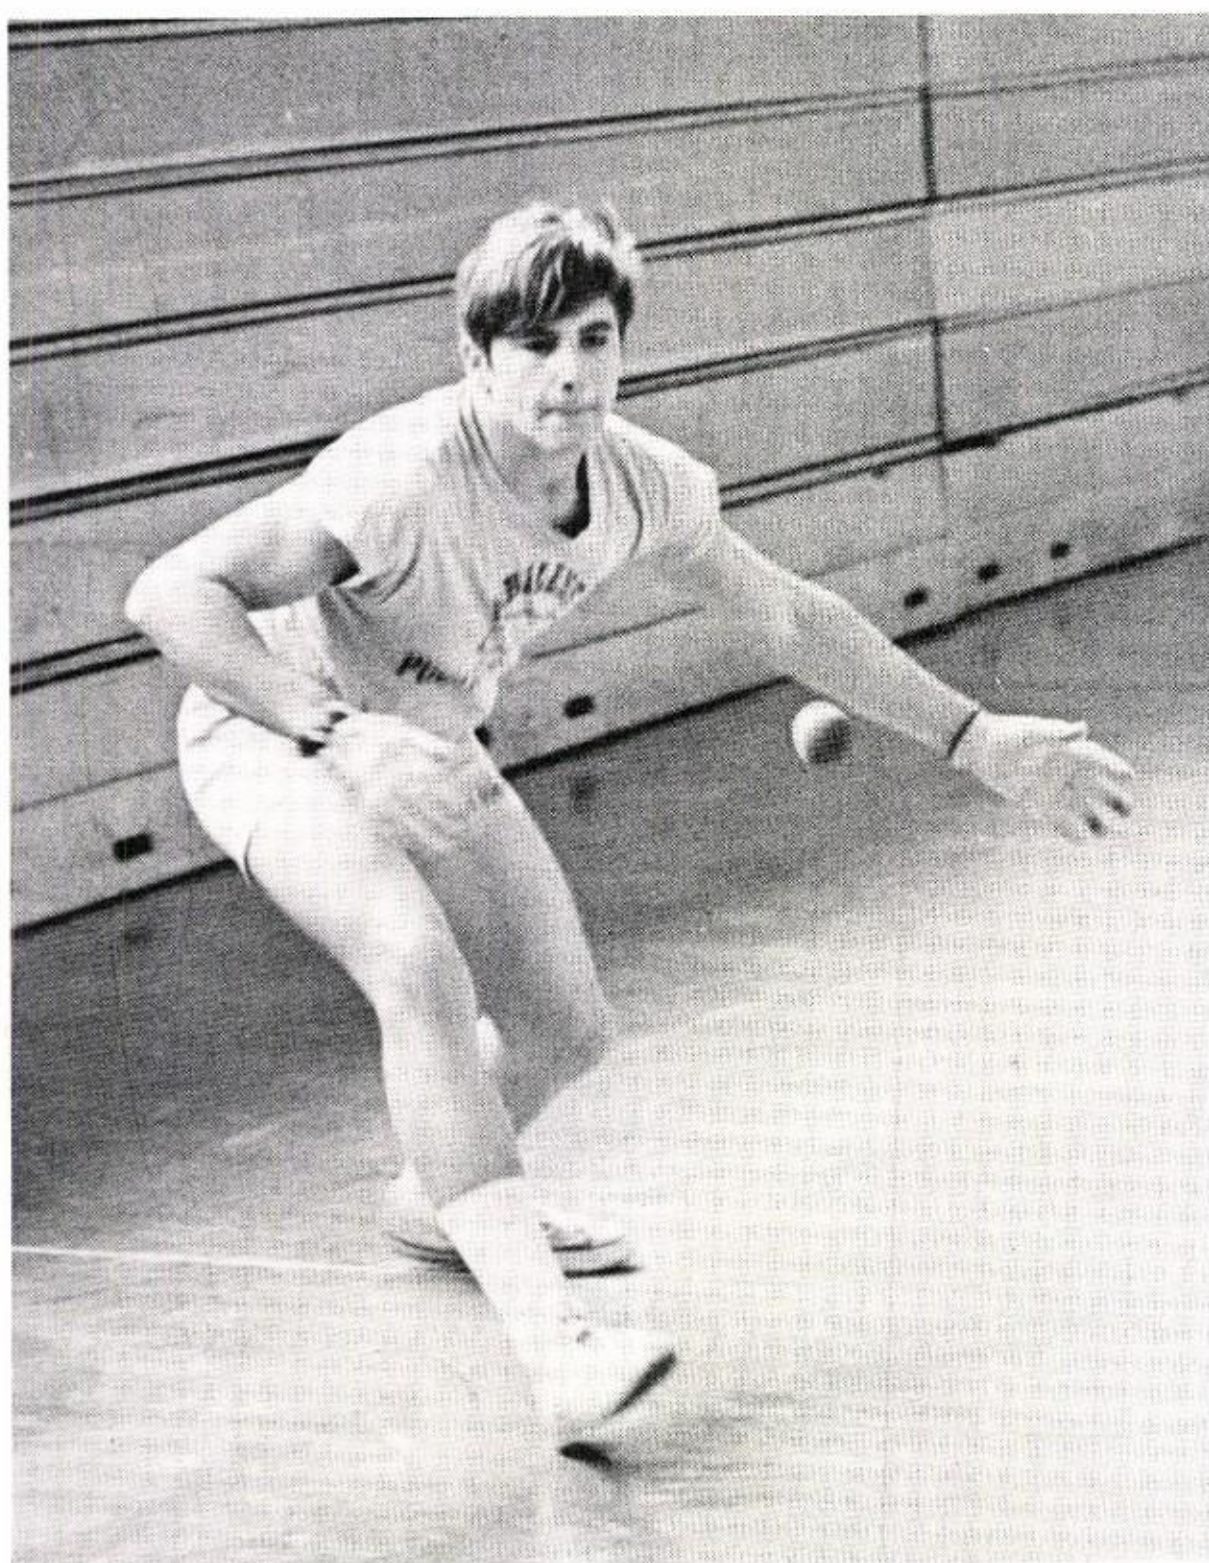

The sports covered by the boys only are: wrestling, weight training, hand ball, track, and racketball. Girls cover conditioning exercises and square dancing. Both boys and girls cover football, basketball, volley, soccer, speedball, softball, badminton, tennis, golf, and gymnastics.

In gymnastics Donna Dixon practices on the balance beam.

Industrial Students Prepare for Fair

Over two hundred fifty students were enrolled in industrial arts classes taught by three teachers. Drafting—general, technical and architectural—attracted both boys and girls. Fundamentals learned in these classes served in helping those interested in drafting as a career or part-time work. Across the hall from drafting classes, machine and woodworking classes produced attractive and useful furniture and objects for home use.

Photography classes gave students the fundamentals in handling cameras, taking pictures, and working in the dark-room to produce black and white pictures.

Membership in the Industrial Art Clubs provided opportunity for exhibits of student work in competition.

Special Services Accommodate AHS

Not associated with a department but vital to all AHS are the special services.

Library services were improved with new arrangements of books and furnishings. Miss Dorothy Sherman and Mrs. Valenda Brown worked to keep materials available to fill students' and teachers' needs.

In the clinic Mrs. June Whitt was busy keeping health records and helping ailing students. Mrs. Suzanne Chalcraft coordinated all audio visual materials and equipment.

Ladies Plan Nutritious Meals

On the other side of the lunch line, are sixteen cafeteria ladies whose job is to prepare and serve 600 to 700 meals each day for 700 to 800 students and faculty. These meals must meet specific standards and are based upon a plan for good nutrition. For those who do not want complete lunches, other foods are served by ladies working in the snack bar. In charge of the daily preparations are Mrs. Novah Johns, and Mrs. Neva McDearman snack bar supervisor.

For Mrs. Bertha Hester and Mrs. Ethel Landrum, the day's work begins with preparing the meat dish . . . Working in the snackbar, Mrs. Roberta Newsome straightens up at the end of the day.

Custodial Care Keeps AHS Attractive

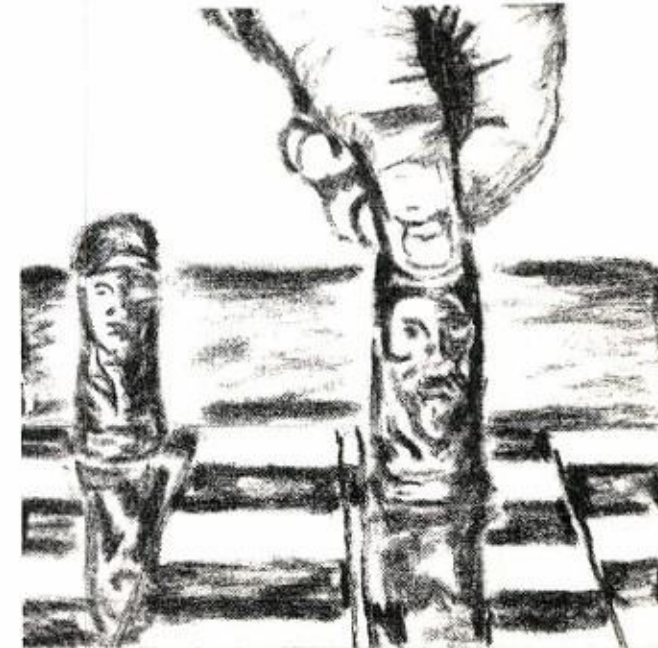

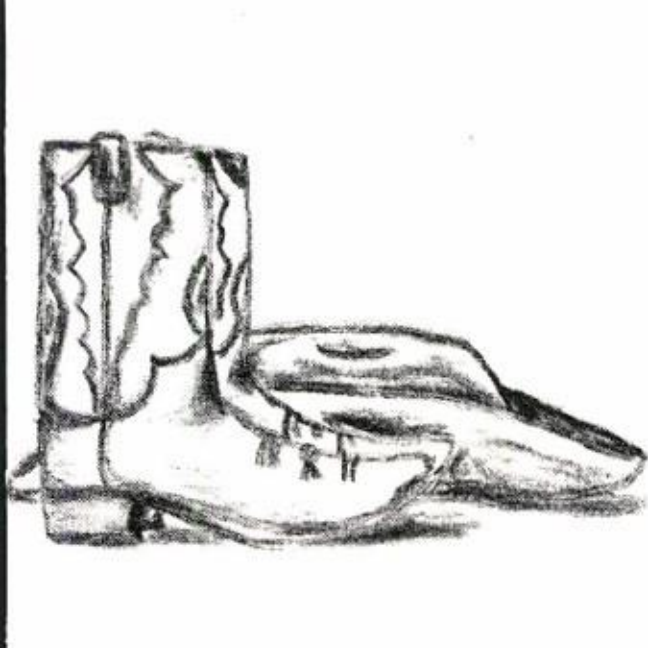

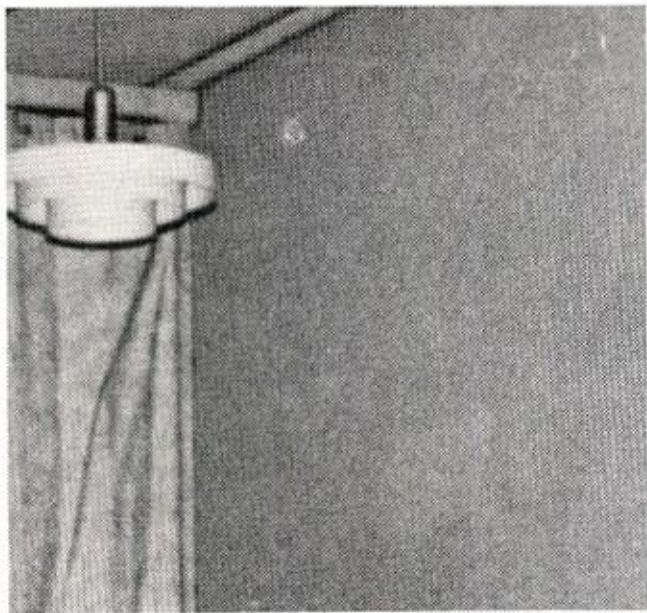

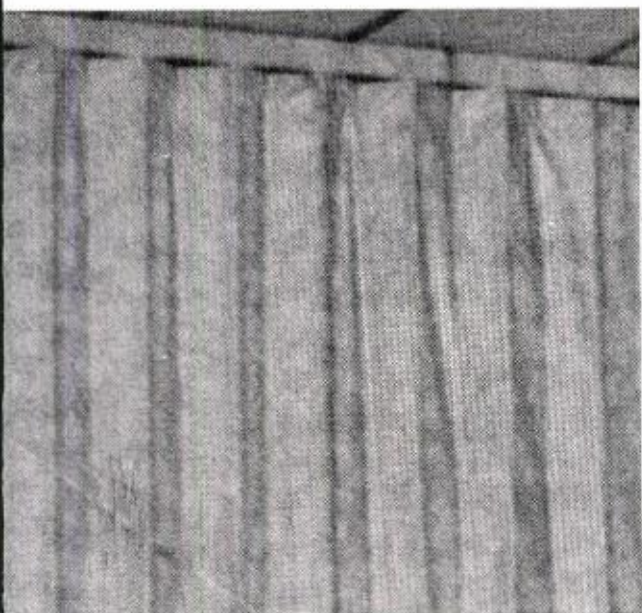

Putting in a total of about 520 man-hours of work, the custodians form a crew working in two shifts to keep AHS comfortable and clean. Besides sweeping and dusting classrooms and halls, the men did light maintenance and kept the campus clean and trim. During holidays special cleaning and polishing headed their work lists. Mr. E. H. Park coordinated and supervised the work.

Clubs and Organizations

Student Council Involved in Activities

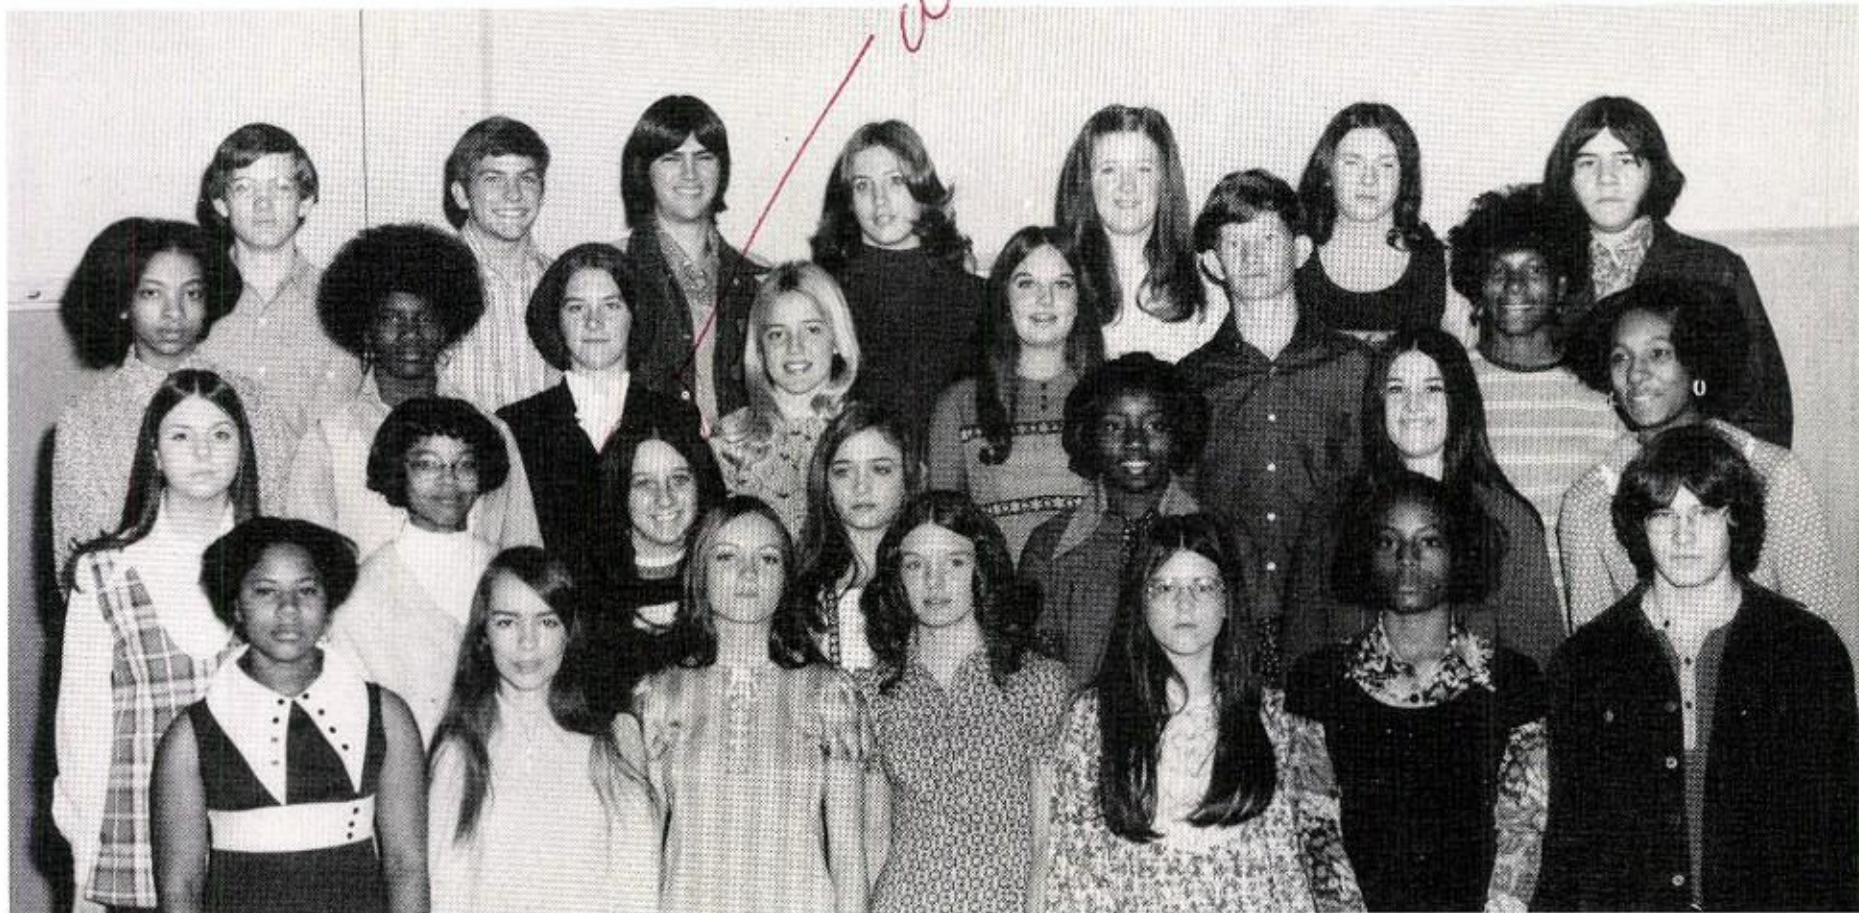

Actively involved in school life, the Abilene High Student Council sponsored many activities. As in the past, they were responsible for helping with Orientation and promoting AHS spirit. Members sponsored the annual Sing-Song before Homecoming, door decorations, and sportsmanship awards. This year the Council added a new initiative by awarding the Spirit Stick to the most spirited class. Also new this year was the selection of Eagles of the Week, academic and athletic.

Exchange Days Promote Friendship

Striving for involvement of more students within the school and inside the community kept the Student Council busy initiating and observing student programs. Students had opportunities to broaden contacts with other schools in exchange days with Cooper and Winters High schools. As Vice-president of the Oil Belt District, the Student Council participated in student organization and furthered integration of students in community affairs with Operation Mainstream. Rewriting the SC constitution helped make student government more efficient.

Bright gold balloons were sold to raise money for scholarships. Members also helped to host Open House and later merged with the Cooper Honor Society to host College Night at Cooper.

Bringing joy to the hearts of lovers on February 14, members sold Valentine candy at their "Carnival of Hearts" and dressed in zany costumes to deliver the candy.

Staff Kept Busy With Events at AHS

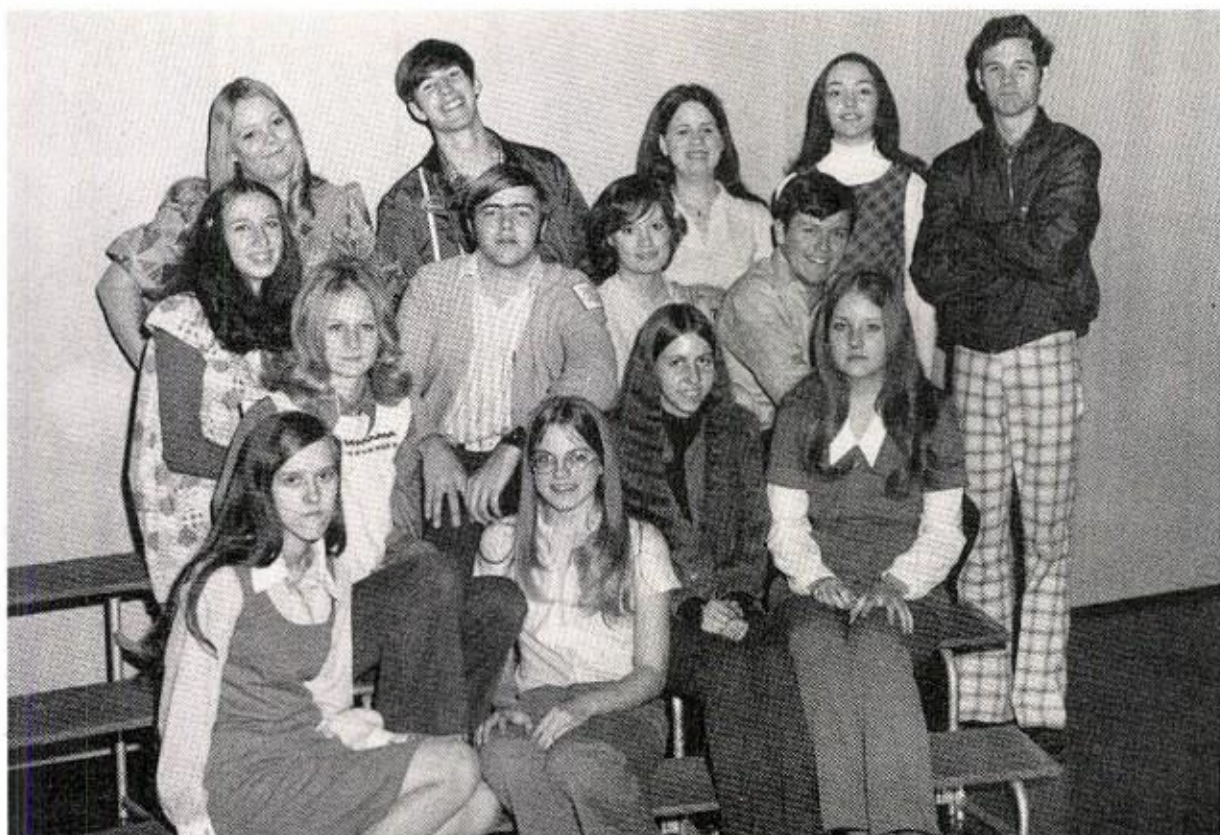

Trying to capture the events of Abilene High kept the Flashlight staff on the go.

Work on the '73 Flashlight began early when members attended a spring workshop sponsored by Newsfoto of San Angelo. Editor Wendy Lathrop and copy editor Carolyn Glenn formulated more plans at the San Angelo State Workshop. Other members attended a fall workshop at Wyatt's Cafeteria, also sponsored by Newsfoto.

Being a member of the Texas High School Press Association and Interscholastic League Press convention, the Flashlight was able to enter the contest with other books across the state. This is the first time the Flashlight has been a member of ILPC. From the THSPA contest in Denton, the 1972 Flashlight received an All-Texas rating.

Summer Vacation Spent in Mexico City

To provide recognition for people who have creatively contributed to the media was the main goal of Quill and Scroll. On club days the AHS journalists met and worked on their publications. To be a member of International Quill and Scroll, one must be classified as a junior, in the top fourth of his class academically, and recommended by a publications sponsor.

Getting an insight to Spanish speaking countries was the aim of the Pan American Club. This year, as in the past years, the club, along with the Spanish classes, made a trip to Mexico City, Mexico. To raise money the club held a Mexican supper. The Club is under the supervision of Miss Lynda Collins.

Battery Staff Informs Students at AHS

Publishing sixteen issues of the Battery, the staff worked to keep the students, faculty and patrons informed about events at Abilene High. Supervised by Mrs. Marie Yaeger, journalism teacher, staff members, assisted by first year journalism students, composed the bi-weekly paper which was printed by Abilene Printing and Stationery Company. Mr. Max Irwin served as business advisor.

The Battery was entered in several contests: two of which were the Interscholastic League Press Convention in Austin and the Texas High School Press Association in Denton. From these contests the Battery received an A-1 rating. Several staff members attended workshops at these conventions.

Marching Band Takes Trip to Corpus

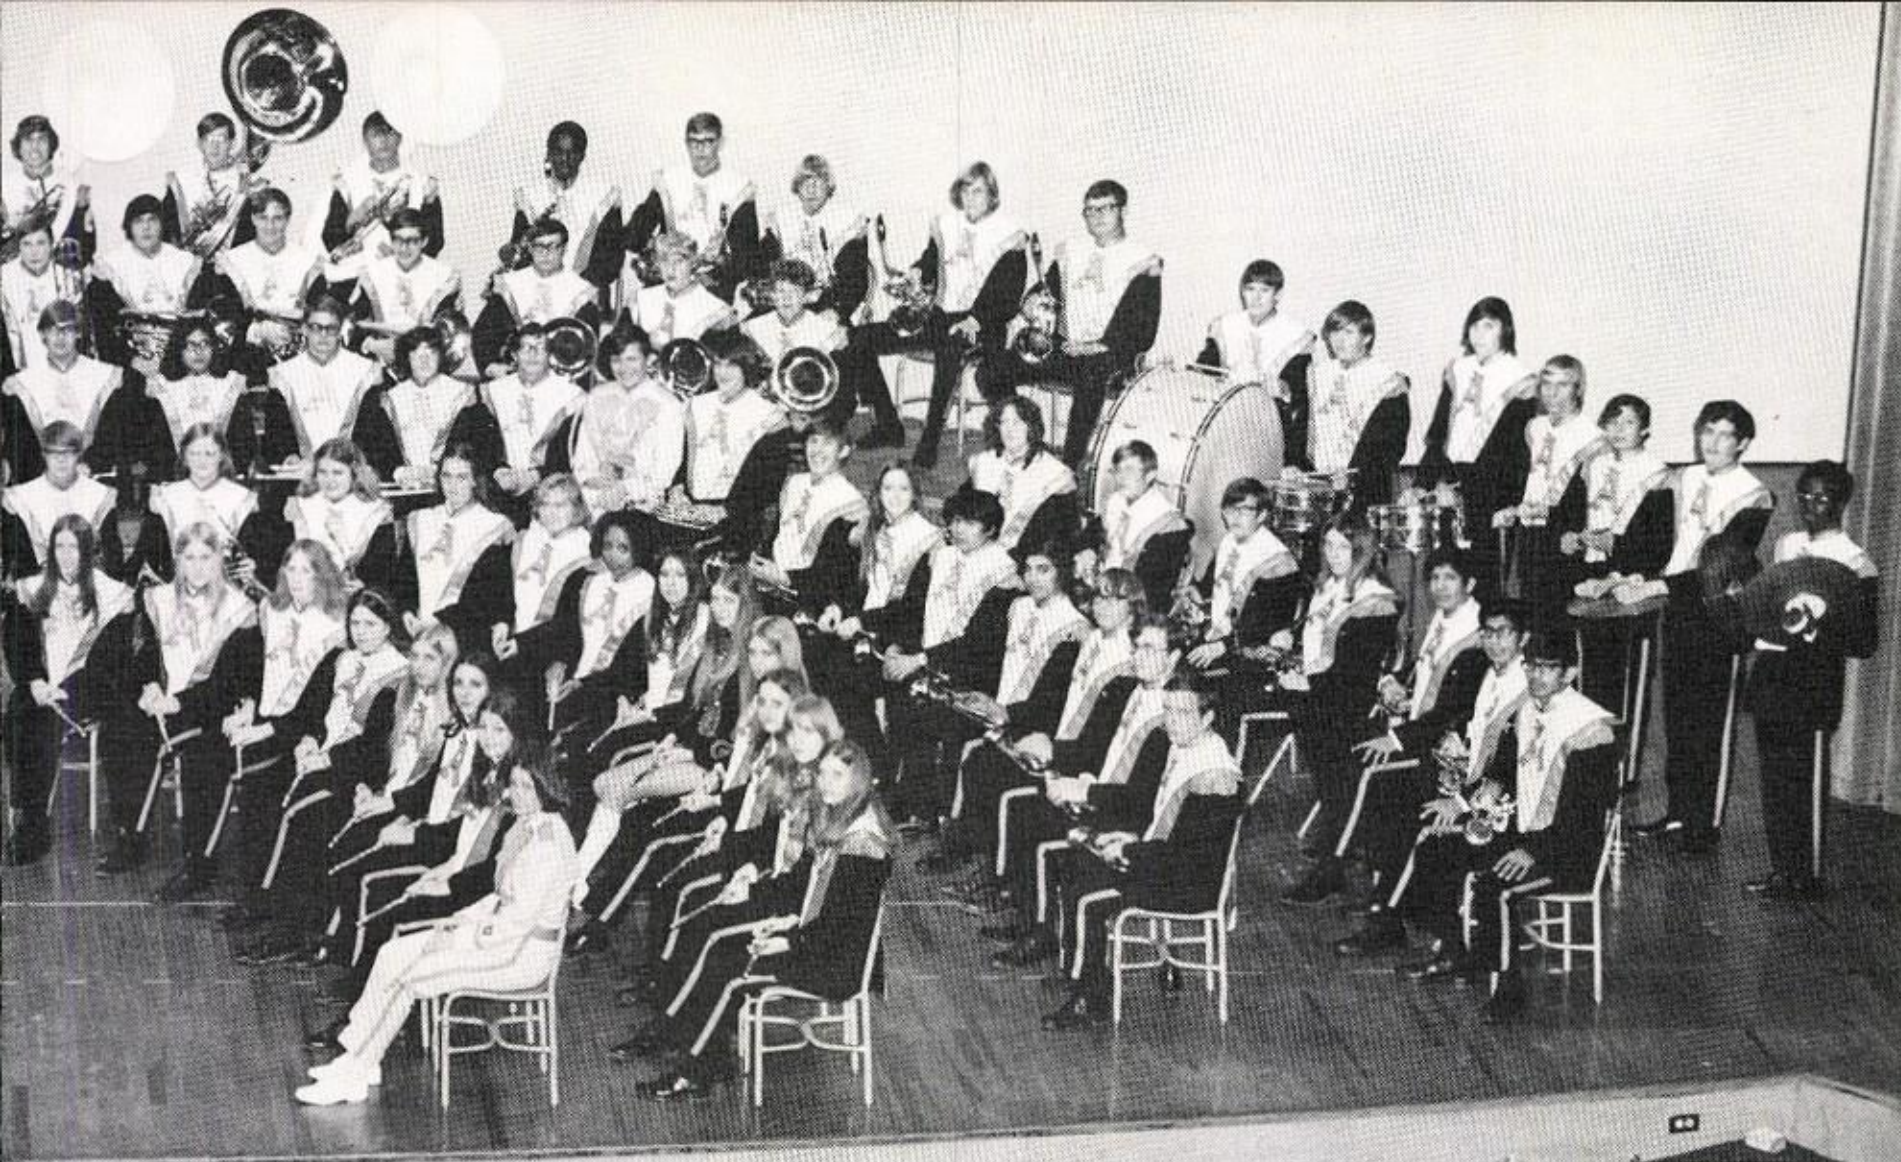

Participation in pep rallies, civic parades, and football games signified a portion of the year's activities by the Abilene Eagle marching, concert, and symphonic bands.

Long hard hours were spent on the practice field getting ready to perform during the half time festivities. After marching season, the band did not rest. More hard hours were spent polishing contest pieces. This year the band entered the UIL Solo and Ensemble Contest, Sweetwater Music Festival, and the Corpus Christi Buccaneer Music Festival.

Football programs, fruitcake sales, bake sales, and a Spaghetti Day raised funds needed to travel to Corpus Christi for the spring trip.

Twirlers for the Abilene Eagle Marching Band were Deborah Denney, Barbara Stevenson, Sylvia Jones, Patti Burks, Sherry Bailey, and Ginger Gayden.

Leading the Abilene Eagle Band on the field during half-time festivities were drum majors Barbara Hanson and Cy Ditmore.

Classics Inspire Latin Club Activities

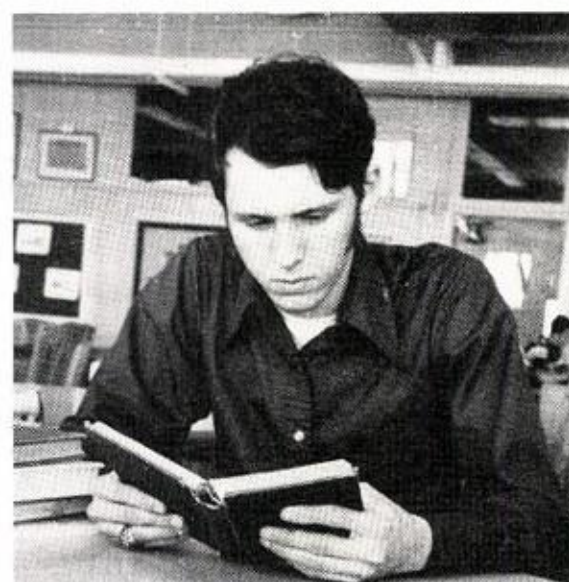

Classical language, literature, and history were the focal points for the Roman Forum. Members spent club time listening to speakers, planning for the state contest, and planning club parties. Speakers whom they heard were Dr. Alexander Undvary paralleling ancient Roman culture with today's, and Dr. Ray Ellis speaking on the Greek language. Club members also entered the JCL convention at Fort Worth in March and voted on new provisions in the JCL constitution. At the Christmas party, members presented sponsor Mrs. Joyce Jay with a Greek-Latin Bible.

Athletics

Five Dedicated Girls Lead Warbirds

Promoting spirit was the main job of the five AHS cheerleaders. They found their job to be time-consuming but very worthwhile.

Beginning in the summer, the girls prepared for the 72-73 year. They made posters, about 150, and practiced old and new yells. When school opened, the cheerleaders were ready for the all-important first pep-rally. They hung posters each week and arranged pep-rallies during the football season. They also worked closely with the Spirit Club officers to help co-ordinate the Eagle's "Bold Gold." These girls boosted the Eagle spirit at all athletic events.

Teresa Wurschmidt was recognized by the association as the girl who contributed most in boosting the Eagle teams. Coach Blackburn, although retired from coaching duties, was selected from faculty nominees as Inspiration of Athletics.

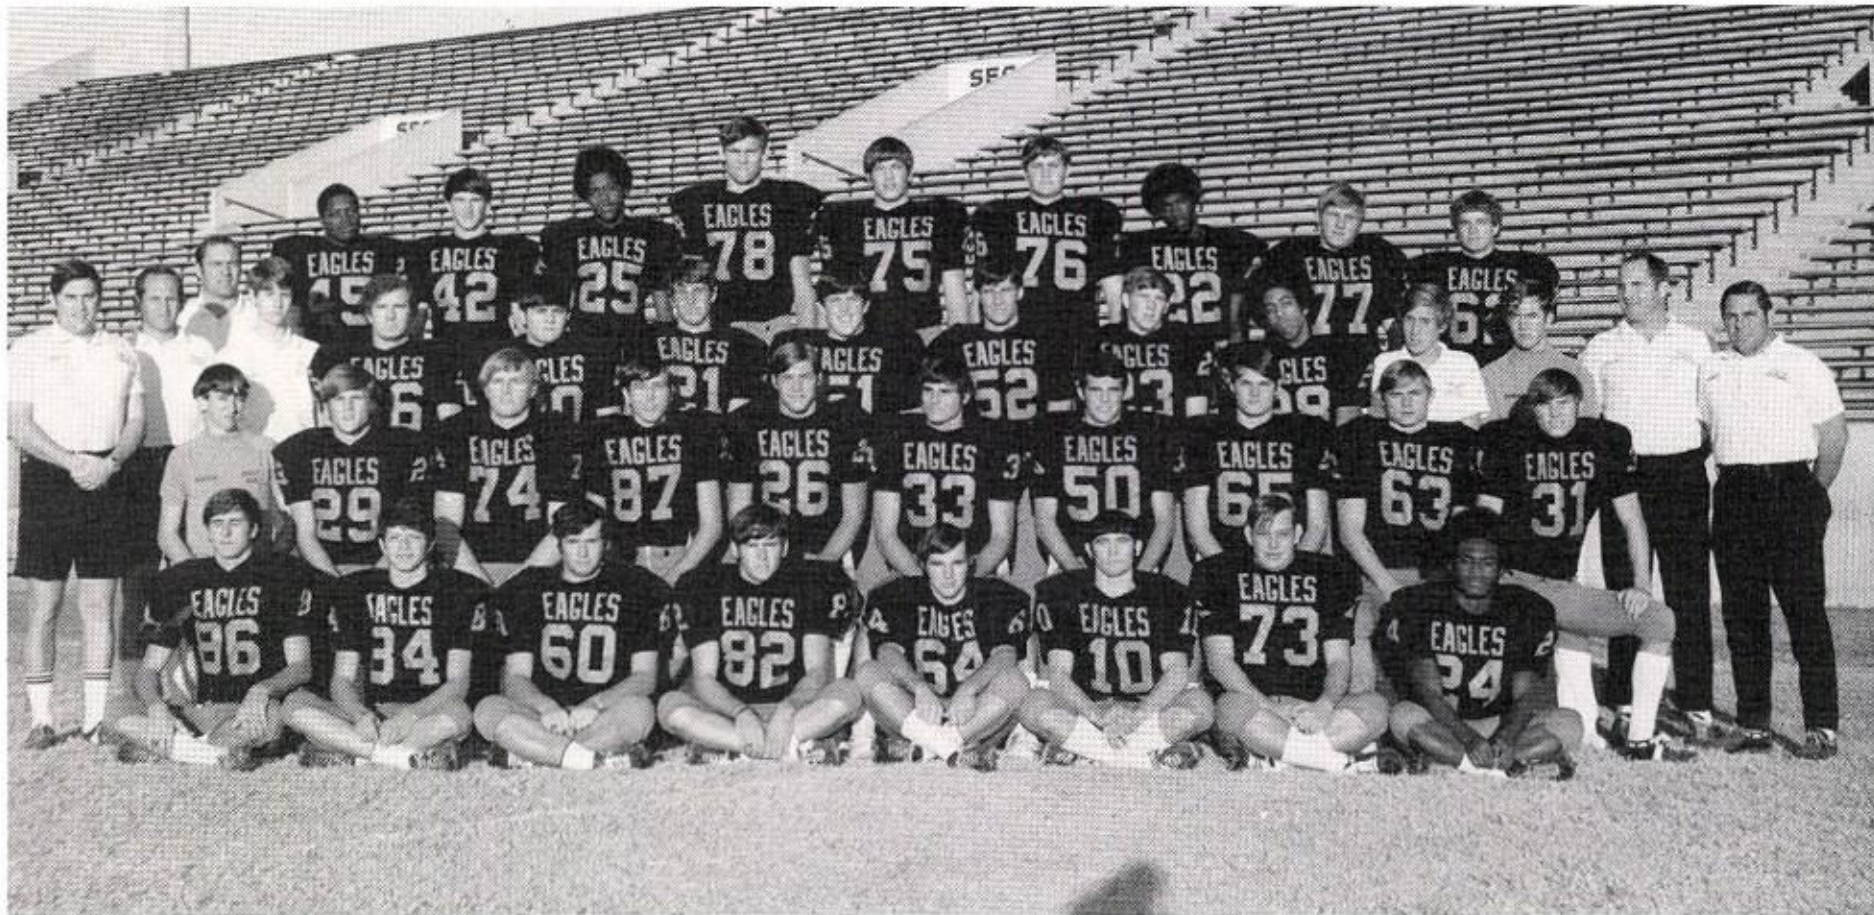

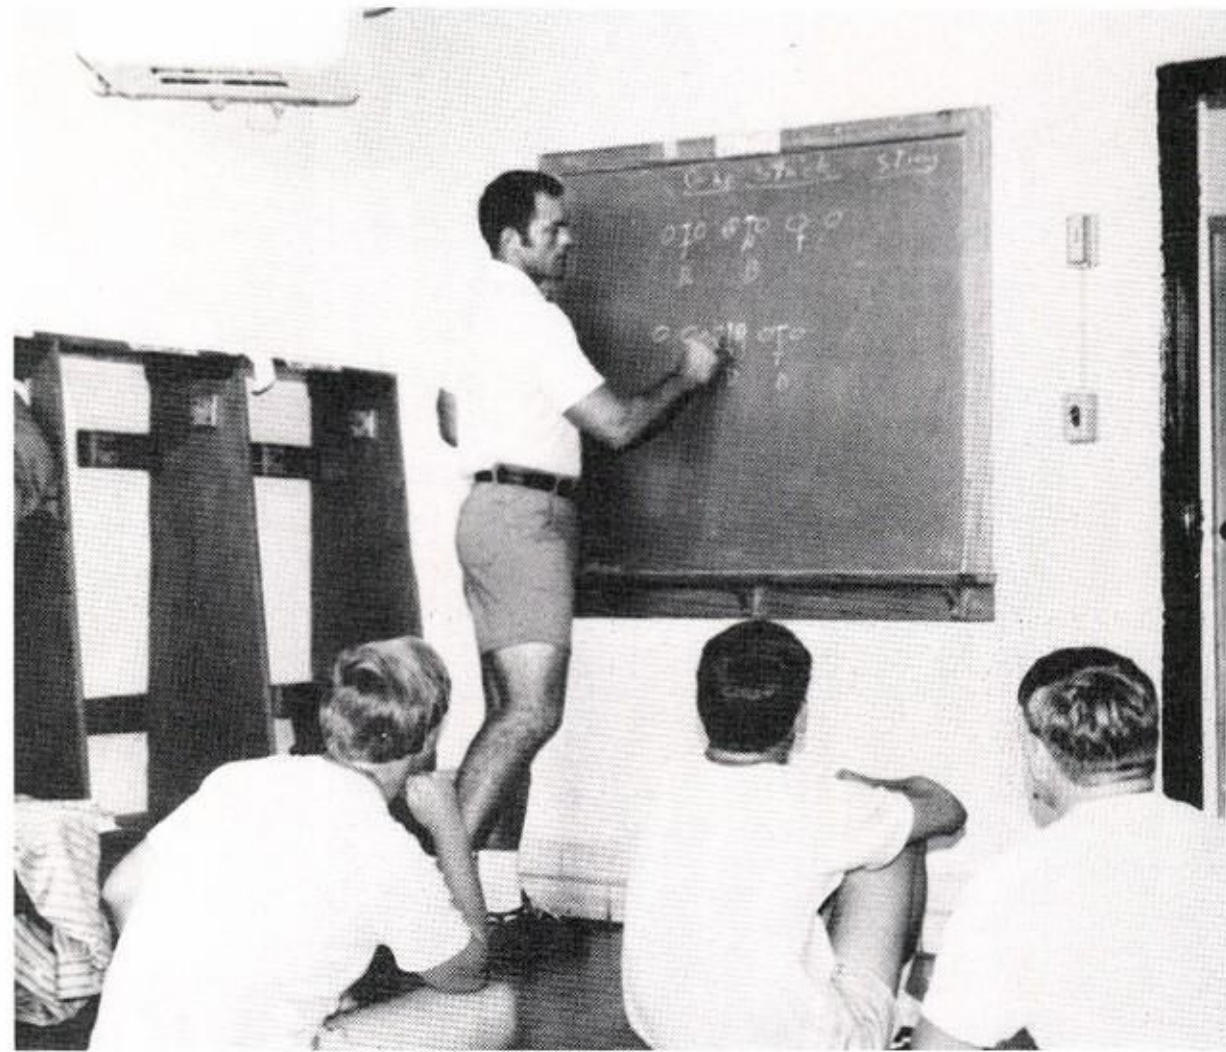

Five seniors assumed the responsibility of presenting Champ, AHS mascot, at the pep rallies and town football games. Known as the Eagle Squad, the boys also assisted at the pep rallies. Members were Jeff Hill, Isiah Gindratt, Randy Strickland, Joseph Flores and Mark McCord.

Mr. Park coached defensive and offensive lines as well as nose guard; Coach Taylor, defensive machine. Mr. Gruber worked with the secondary while Mr. Harris worked with Eagle receivers. Mr. Forkerway and Mr. Jack Aldridge handled the JV squad. Coaches Aguilar and Rodney Jenkins assumed "B" team coaching duties.

Abilene Eagles Open Season With Win

By defeating the Sweetwater Mustangs 14-7, the Abilene Eagles opened the football season. Halfback Thomas Hines made both touchdowns. Nose guard Olen Frazier and Billy Sudbury aided the one touchdown win. Randy Leonard booted the extra point.

The Warbirds won their second game of the season by holding off the Cleburne Yellowjackets, 14-6. The Eagles scored touchdowns in the second and third quarters. Cleburne's only score came on a sudden strike late in the third quarter. Quarterback Gary Stirman completed 11 out of 23 passes for 125 yards.

With two wins, the Eagles faced the Temple Wildcats in the last of the pre-district games. Billy Sudbury, Randy Andrews, and Olen Frazier put up a great battle against the Cats. Stalwart offensive efforts by Gary Stirman and Thomas Hines highlighted the Eagle offensive play. Hines made the one Eagle tally. Time ran out on the Eagles with the score 16-6.

Eagles Overpowered by Steers, Panthers

With a 2-1 record, the Eagles began district play against the Big Spring Steers. Rick Chevrie and Randy Pool were outstanding receivers. Chevrie scored first with a 15 yard reception. The second TD came from an 89 yard run by Billy Sudbury and Thomas Hines who crossed the goal line as a pitchout. Going into the air, the Eagles flew 76 yards in 8 plays. Quarterback Stirman fired to Mike Oles, Randy Pool, Alan Stephens, and Henry Gindratt for the final TD.

Spirited Homecoming activities initiated the encounter with the Permian Panthers. The Warbirds, outnumbered and outweighed, put forth an all-out effort. The powerful Panthers simply ripped the Eagle defense apart in rolling a staggering 34-0 half-time lead. Thomas Hines and Alan Stephens were the only ones to have plus signs in yards rushing. The final score was 48-0.

District Play Holds Defeat for Eagles

Meeting the Odessa Bronchos, the Eagles continued district play. Alan Stephens headed offense carrying 12 times for 96 yards. Defense was lead by Danny Slack and Rusty McLesky. Billy Sudbury was the leading receiver in yardage, with one catch for 15 yards. The final score was 12-7.

Despite the efforts of Chuck Sitton, subbing for injured quarterback Gary Stirman, the Eagles lost to Midland Lee Bulldogs, 33-6. The Eagles' offense was hampered by a steady drizzle. Bright spots for the Eagles were the receptions of Rick Chevrie and Mike Oles who pulled down three passes apiece, and a strong show of fullback James Smith who scored Abilene's 6 points.

The San Angelo Bobcats came against the Eagles with all they had. The Angry Orange poured it on until the sound of the buzzer. The final score was 52-0. Alan Stephens turned in a sensational performance. He picked up over half the Eagles' ground yardage.

Wide receiver Randy Pool lunges to catch the ball for a 10-yard run . . . Alan Stephens streaks past an Odessa defender.

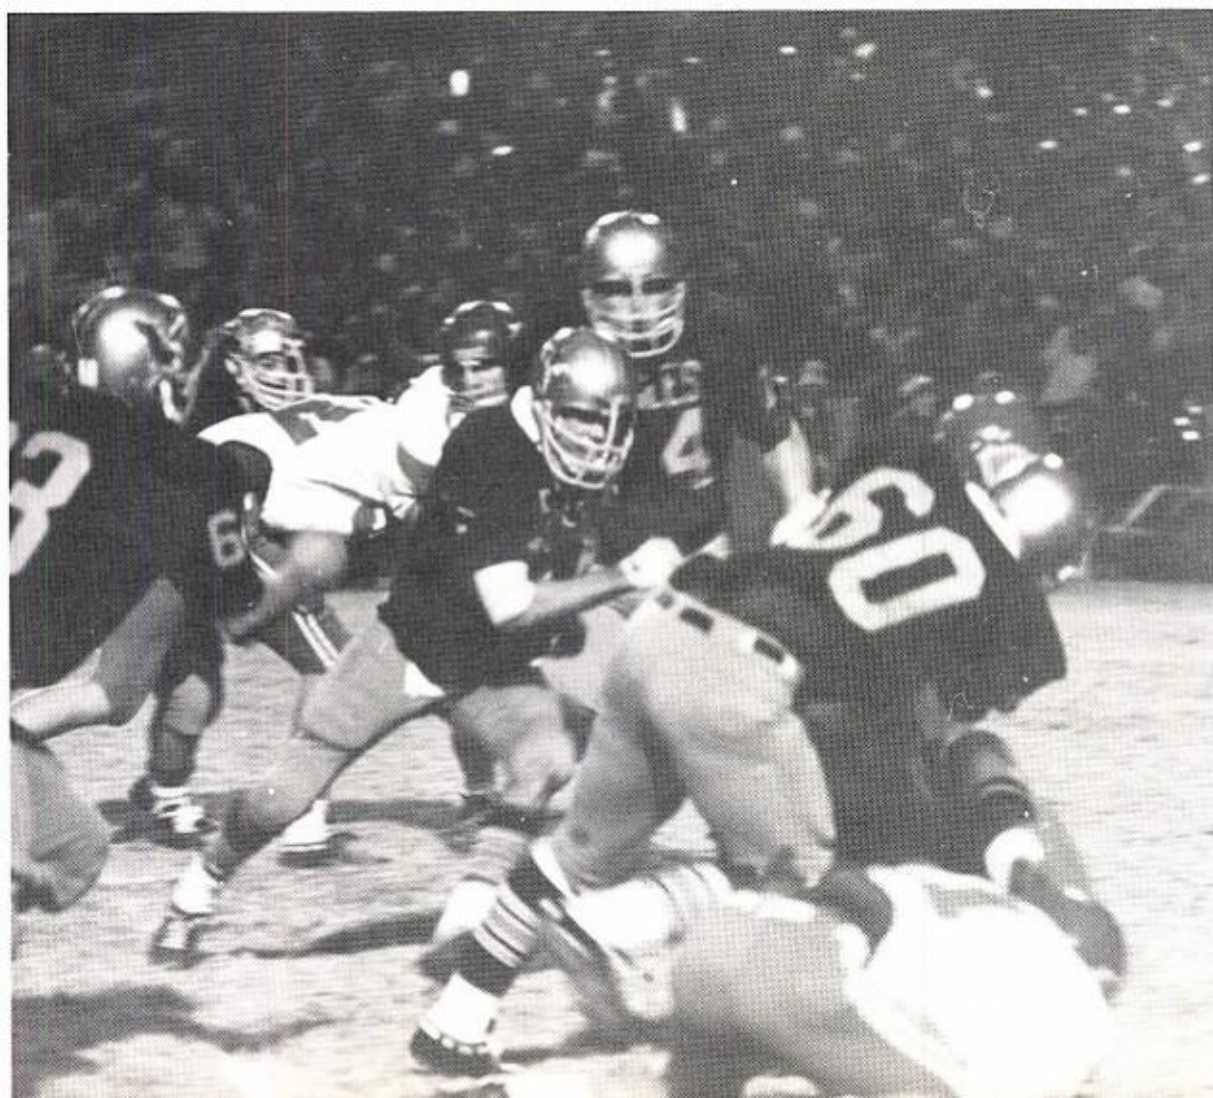

Strong Effort Put Forth by Warbirds

AHS approached the end of the season by facing Midland Lee Rebels. Thomas Hines finished with 8 yards on 17 carries. Alan Stephens added 30 yards on 6 carries, but the difference in the game was Lee's ability to pressure Gary Stirman. The Rebels scored 25 points during the first quarter, but the rest of the game was matched even all the way with the final score still 25-0.

The most anticipated game of the season is the one against the cross-town rivals, the Cooper Cougars. The Eagles, expected to launch an all out passing attack, surprised the Cats by running straight at them. Gary Stirman went to the air only 5 times. Thomas Hines' rushing and tackling kept the Eagles in control early in the game. From the second quarter on, it was all Cooper. The Eagles played tough but were defeated, 21-0.

Leading the mighty Warbirds onto the field to take on the cross-town rivals are the Eagle cheerleaders . . . Despite the efforts of a surge of Eagles, the Cooper Cougars remain undaunted and retain the ball.

Team Work in New Leadership

Junior Varsity and "B" teams started with new members on the coaching staff. Under the tutelage of Coaches Jack Aldridge and George Forkeway. The JV's finished with a 5-5 record. Happiness came with the trouncing of district opponents.

Coaches Pat Aguilar and Ted Harris led the "B" team to a 2-4 record this year. This was the first year for both of these coaches, whose showing looks were promising for the Eagles in the future. The "B" team was successful in the early part of the season by defeating Cooper 24-17, but had to split the glory in the last game against the Cougars when the Eagles were defeated 20-6.

Heartbreak Losses Plagued the Eagles

It took work, but the Eagles stood 1-0 in the second half of district play against the Big Spring Steers, with a score of 82-75. The scores rarely separated by more than 3 or 4 points. In the final stages of the game, with the efforts of Larry Wiley, Monte Harris and John Blakeney, the Eagles were victorious.

The Eagles stumbled in their battle with Permian. They had a glimpse of victory when they tied the score 47-47 with less than a minute to play, but in the final 12 seconds Permian came through with 2 points and victory, 49-47.

Midland seemed to play as they never played before against the Warbird team. The Eagles played well but fell short by a score of 74-62.

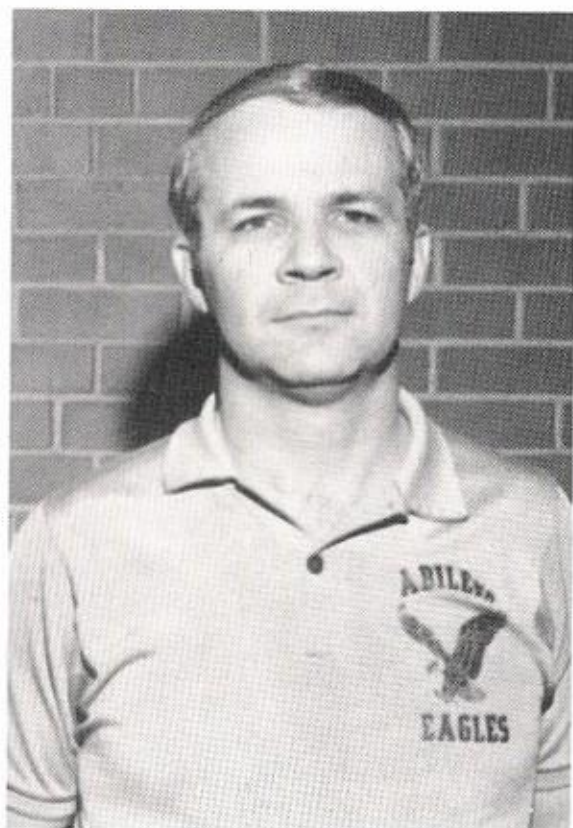

Odessa High spoiled a 29-point scoring performance by Monte Harris by taking a 74-65 win.

Again the Eagles could not seem to find those two points to put them over the top in the game with San Angelo. The Eagles, tormented with bad luck, watched in frustration as the Bobcats hit a ten footer as the final buzzer sounded, leaving the score 72-71.

For a second time the Lee Rebels were victorious over the Eagles. During the first two quarters the game was about even, but during the third quarter, the Rebels tucked it away and finally downed the Eagles 74-64.

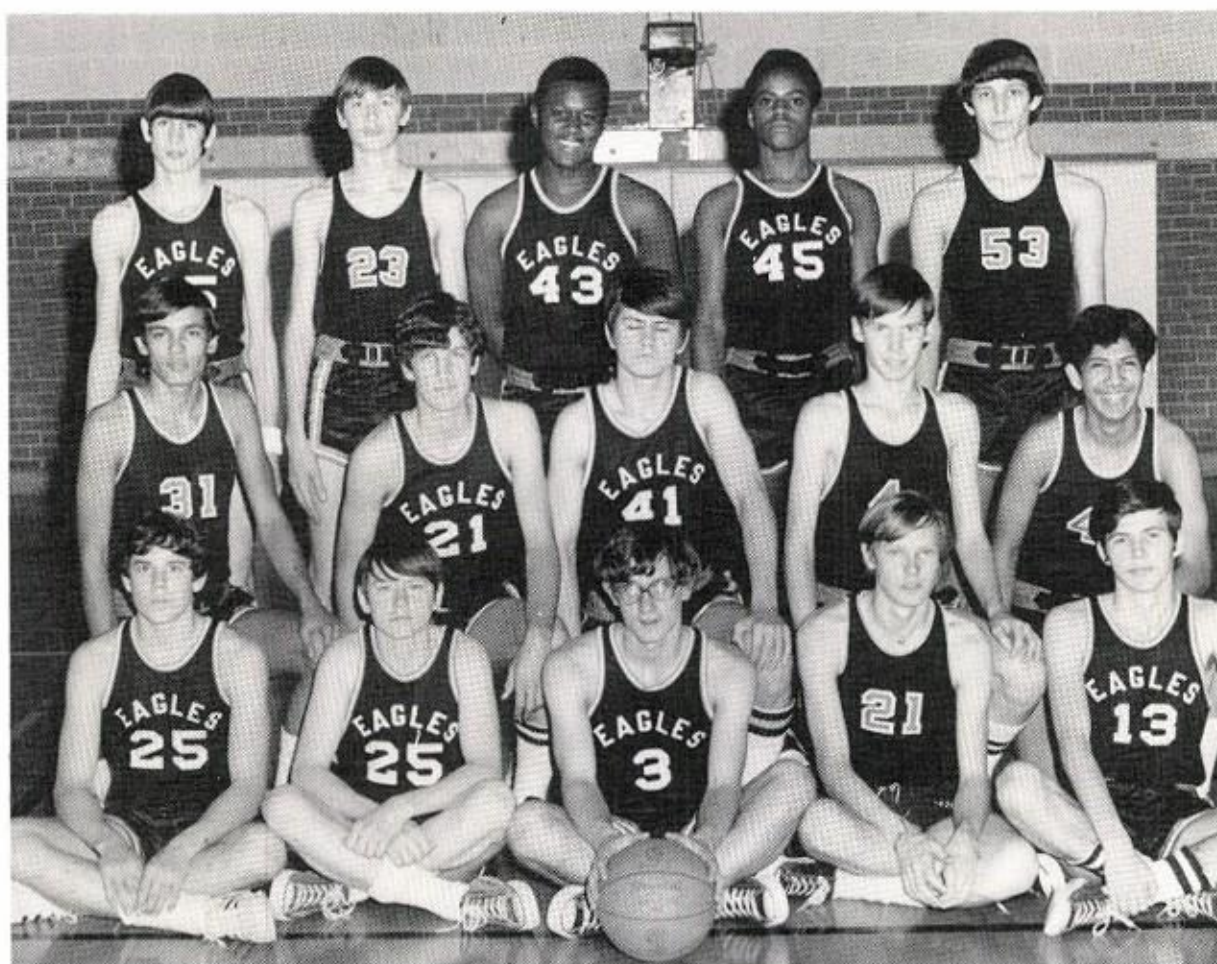

Once more the Eagles won over the Cougars by a very thin margin of 73-70. It was the Cougar's game during the 1st half, but the Eagles took over in the 3rd quarter.

AHS Gymnasts Stretch for Perfection

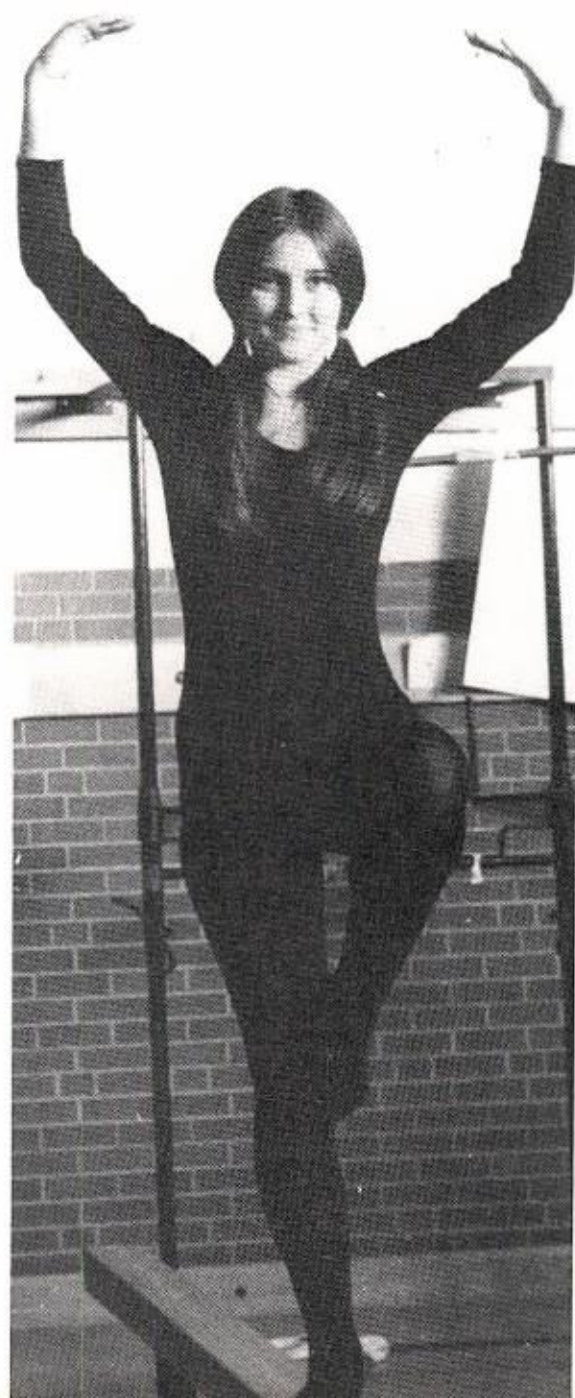

Stemming from the interest shown in gymnastics from the regular physical education classes, the gymnastic team work-out is conducted strictly as a class situation which hoped to enter into competition next year. Approximately twenty participants, including some from local junior highs, met with Coach Charles Perkins almost everyday before or after school.

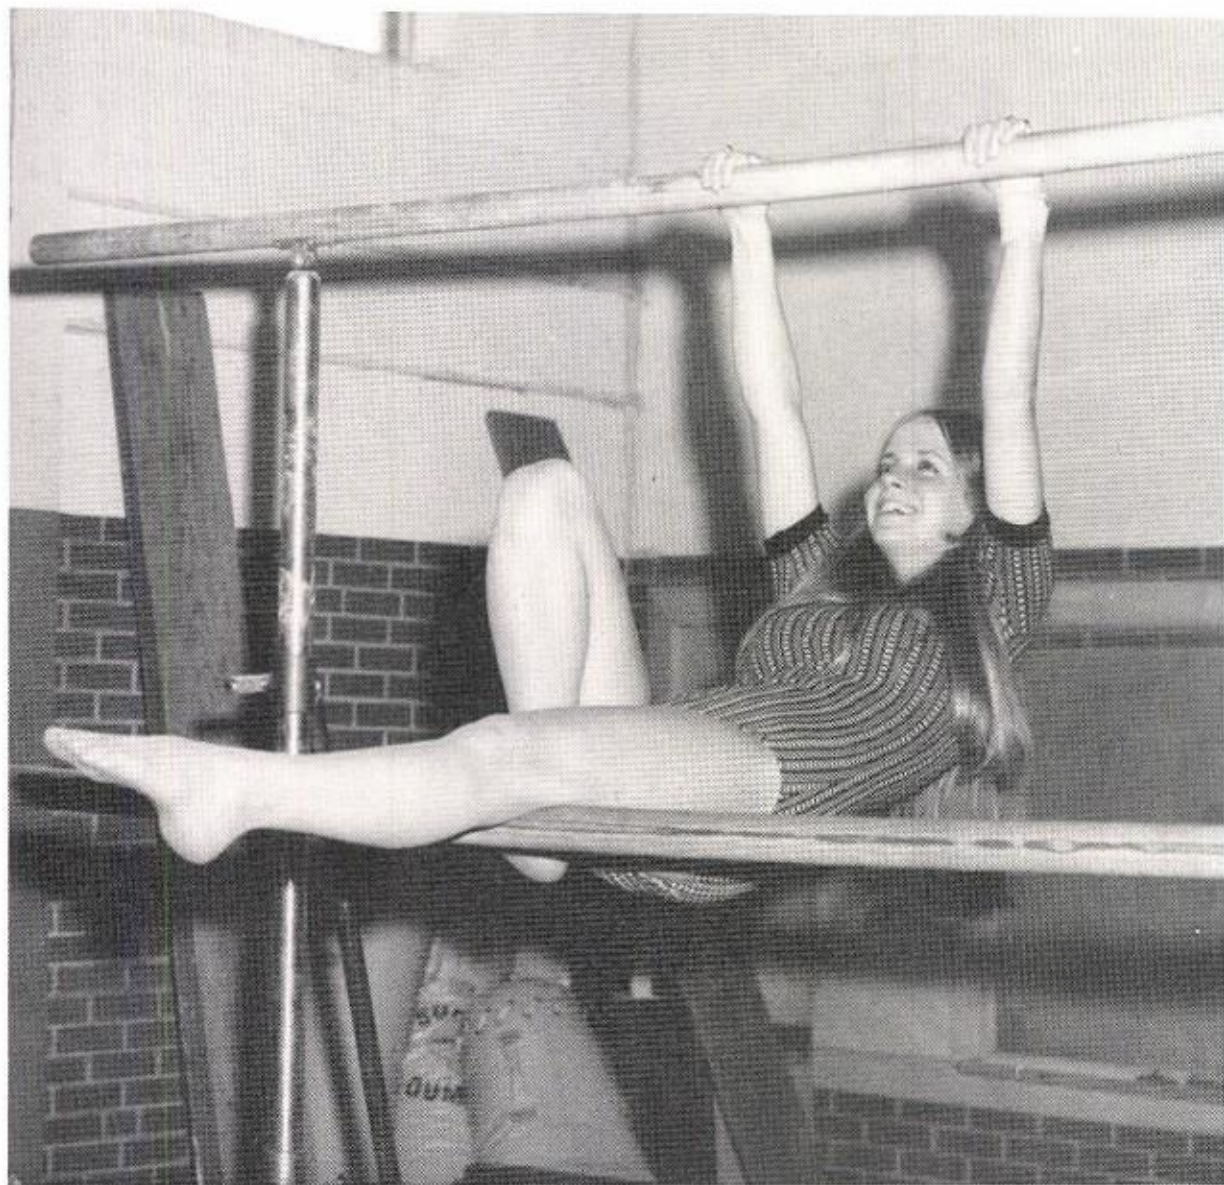

Workouts for the girls included floor exercise, vaulting, tumbling, and working on the uneven parallel bars, side horse, rings and the horizontal bar, tumbling and vaulting made up the boys' routine.

The "A" Association runs the concession stand during the basketball season and, to raise funds, they sponsored a junior high basketball tournament.

Shane,

I'm glad too we could be good friends without getting mad at each other so much. I narrowed it down to once this year - Prestidge - but that was really pretty bad! Shane, you know I think you're a great person & friend. Thanks for keeping me in line all the time. You're about the only one who would besides Marianne. You'll always tell me when I'm being a real dummy (about boys mostly) & most people just sympathize, which I really don't like. Gossiping was really a lot of fun, even if you never gave me any answers. (Ha!) Shane, I think you're a great Christian too & a great example for me, because it's so hard for me. Thanks for everything & I know we'll be friends always.

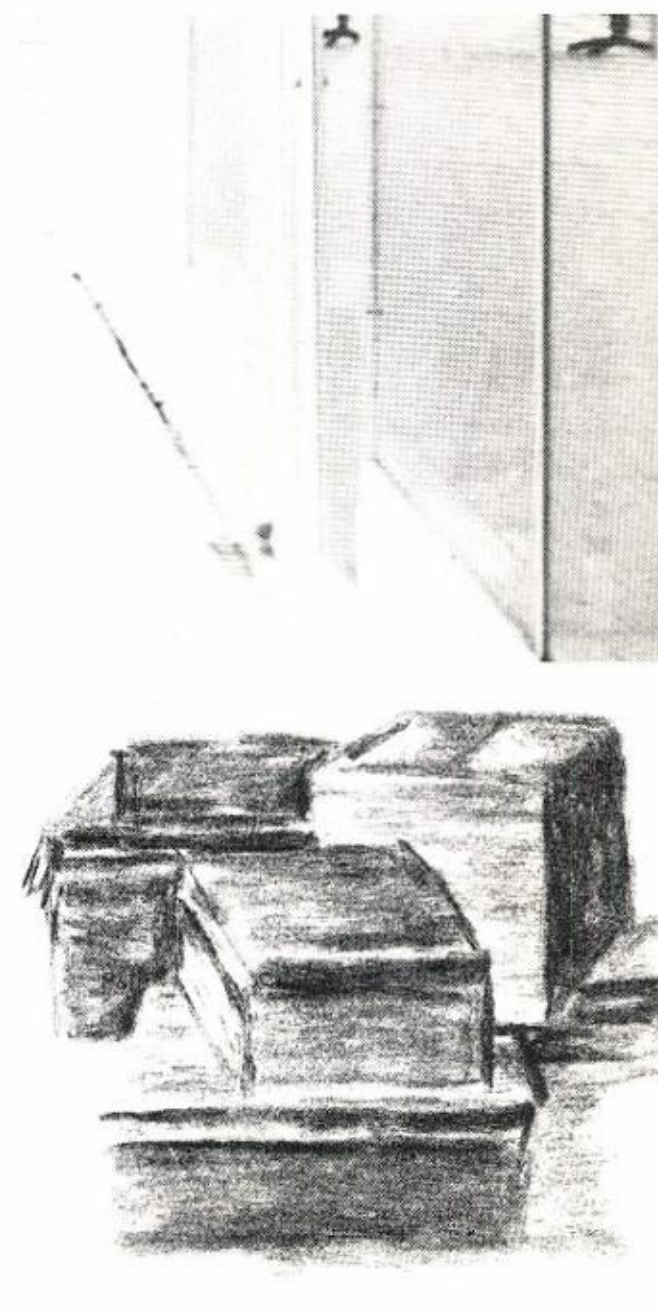

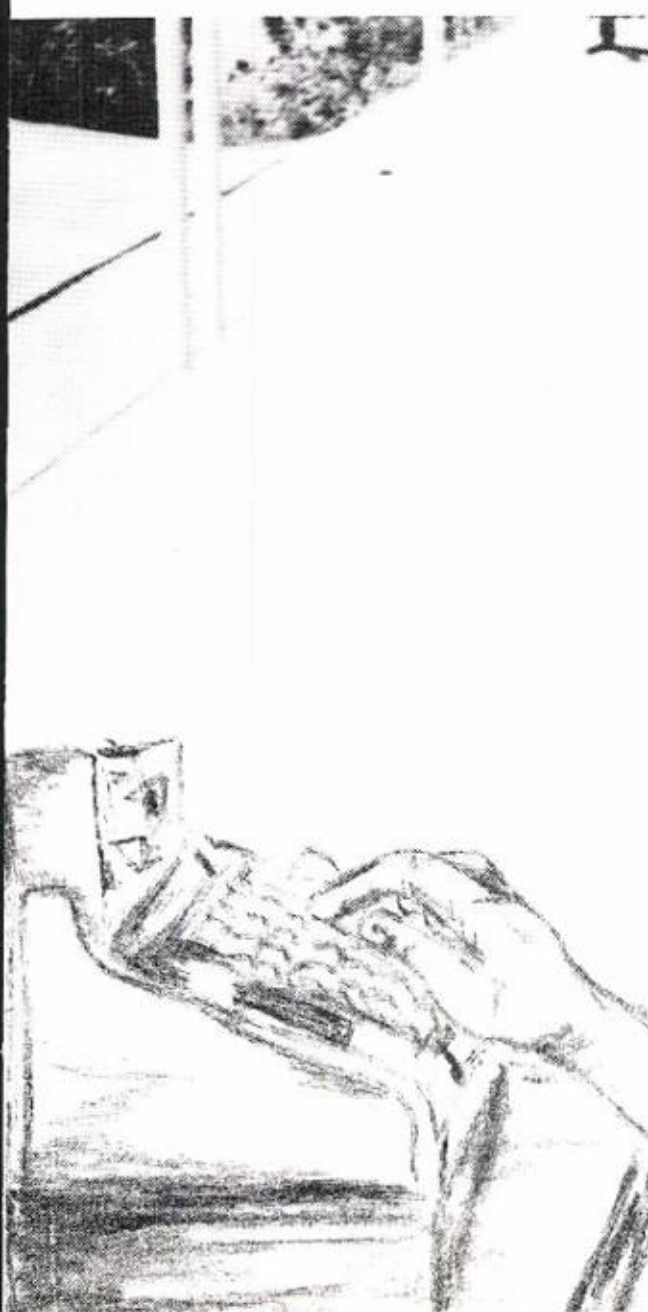

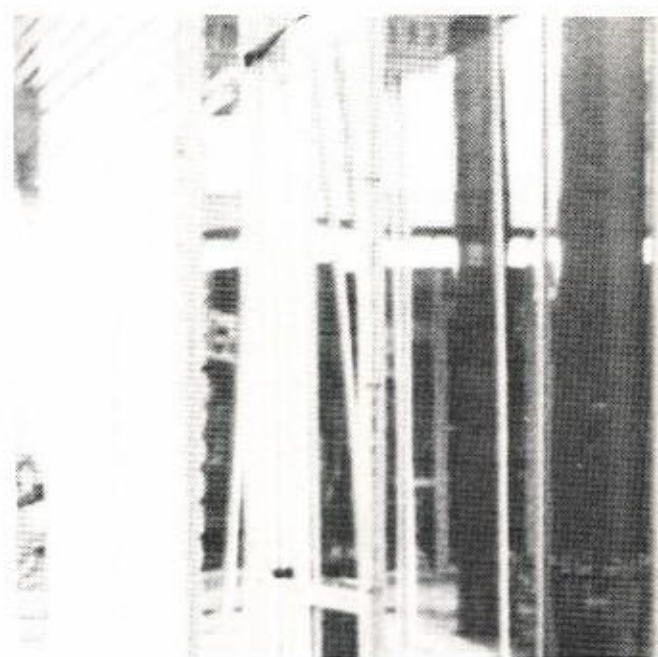

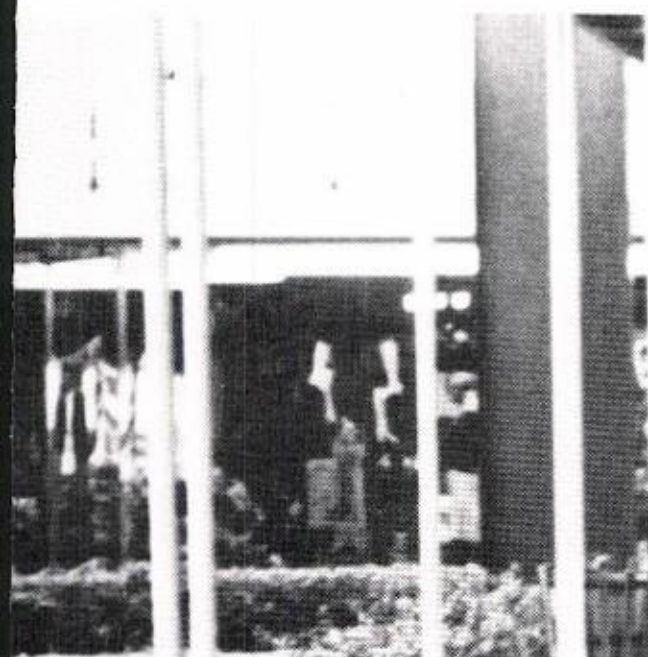

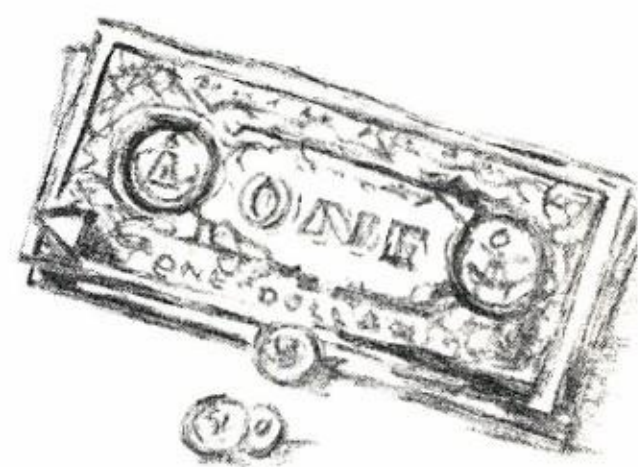

Love ya,
your #1,

Bucky

Thanks for the
Coke & Tony's

stuff.

Why AHSers Like Hardin-Simmons University

I like H-SU because it offers a good education for the business and professional world. It is a small university, but its education facilities are rated highly. H-SU Senior; AHS Class of 1969.

I chose Hardin-Simmons because when I visited the campus I was very impressed with the friendliness of the students and because it is a small school where the professors can take a personal interest in the student. H-SU Sophomore; AHS Class of 1970.

What About You?

Hardin-Simmons University has three things going for it. First is a brilliant, professional faculty. Second is administrative personnel whose concern is to student needs; individual and group. And third is the feeling of excitement and harmony in the H-SU student body. You don't believe me? Come see for yourself. H-SU Junior; AHS Class of 1970.

Why Not H-SU?

A faculty and staff that appreciate and are interested in the students, plus a student body of friendly cooperative people, make up Hardin-Simmons University. This and a good program of courses are what made me decide to attend H-SU. I'm glad I did, too. H-SU Senior; AHS Class of 1969.

I Chose Hardin-Simmons University because I wanted a worthwhile education with all the conveniences of living in Abilene. Hardin-Simmons is small enough to afford an opportunity to make many life-long friends. H-SU Sophomore; AHS Class of 1971.

WHAT IS A McMURRY EDUCATION WORTH?

Those who have studied at McMurry over the last half century have risen to eminence in almost every field and profession—in medicine, in law, in science, in education, in the ministry, in journalism, in manufacturing and marketing, in too many areas to enumerate.

We are proud of the contribution McMurry College has made to the background of these men and women. We are proud of the contribution they in turn have made to our society.

The 1973 FLASHLIGHT Staff gives special thanks to Carolyn Wright and Tim Oldham, photographers, and to Mr. John Kline, professional photographer. We also thank Mr. Dick Jacks, Newsfoto representative, Mr. Max Irwin, business advisor and Miss Mildred Stokes, our sponsor, without whose patience and understanding this book would never have been completed.

The favorites photographs were taken in ROSETYME, home of Mr. and Mrs. Johnny Thompson, of Abilene, Texas. We extend a very special thanks to Mr. and Mrs. Thompson for their gracious assistance.
